DECLARATION OF HISTORICAL USE OF GROUNDWATER

I confirm the information below declaring that groundwater has been used regularly and beneficially on an ongoing basis for the following purposes:

| Date of First Use | Water Use Purpose | Associated Well(s) | Well Details | Description of Use | Location of Point of Diversion | Property Description |
|-----------------------|---------------------------------------|---|--|---|---|-------------------------|
| e.g., January 1, 2000 | e.g., irrigation, industrial, storage | e.g., well tag no., ID plate, system ID | e.g., well depth, well diameter, construction date | e.g., volume, flow, irrigated area, facilities serviced, etc. | e.g., coordinates of well, dugout, etc. | e.g., legal description |
| | | | | | | |
| | | | | | | |
| | | | | | | |

Declaration of Date of First Use for Transitioning Groundwater Users under the Water Sustainability Act

| Date of First Use | Water Use Purpose | Associated Well(s) | Well Details | Description of Use | Location of Point of Diversion | Property Description |
|-----------------------|---------------------------------------|---|--|---|---|-------------------------|
| e.g., January 1, 2000 | e.g., irrigation, industrial, storage | e.g., well tag no., ID plate, system ID | e.g., well depth, well diameter, construction date | e.g., volume, flow, irrigated area, facilities serviced, etc. | e.g., coordinates of well, dugout, etc. | e.g., legal description |
| | | | | | | |
| | | | | | | |

Other information related to the water use:

I, the undersigned, verify this information to be true and acknowledge that a statutory decision maker (e.g., a Water Manager) under the *Water Sustainability Act* may refuse an application (WSA s.14) or cancel an authorization (WSA s.94) if an applicant makes a material misstatement or misrepresentation of historic/existing groundwater use.
