To enable comparisons with all B.C. public sector organizations, please provide the following data for your organization:

1. How many Full Time Equivalent (FTE) employees do you have within your organization? 75
2. Schools, Universities and Colleges only: Number of student FTEs as of Dec 31, 2014? 383
3. What is the total amount of floorspace in your organization (including occupied and unoccupied space)? Please report in square meters: 12390 sq. m

List the top three actions taken by your organization in 2014 to reduce GHG emissions and/or improve sustainability:

Action
1. Continue to encourage staff to travel on school bus provided for pro-d days instead of private vehicles.
2. Continue to encourage staff to use computer lap top for curriculum to cut back on copy paper usage
3. Continue to work with local authorities to implement a bi-law for our anti addling program.

Describe Plans your organization has for continuing to minimize your GHG emissions

Begin to teach students on what electricity is and how we can conserve energy. Also to begin a recycling program in school.
Introduce a gardening program within our schools in joint with our local communities.
