To enable comparisons with all B.C. public sector organizations, please provide the following data for your organization:

31

- 1. How many Full Time Equivalent (FTE) employees were part of your organization as of Dec 31, 2015? 84
- 2. Crowns & Health Authorities only: What was the total amount of floorspace (m²) in your organization (including occupied and unoccupied space, owned or leased) as of Dec 31, 2015: 4645 (m<sup>2</sup>)
- 3. What was the primary use of that space (office, education, warehousing, health services, lodging, arts and recreation, other)? health services
- 4. How many motor vehicles did your organization own or lease as of Dec 31, 2015? 0

List the top three actions taken by your organization in 2015 to reduce GHG emissions and/or improve sustainability:

Action
1. Replaced pneumatic style thermostats with electronic and corresponding pneumatic valves with electronic in the emergency room, maternity, sterile processing and operating rooms. This completes automation of controls over heating in these rooms. This enables Wrinch Memorial Hospital (WMH) to reduce energy consumption in these areas during hours when these areas are not in use.
2 Additional programming and a significant
2. Additional programming and ongoing fine tuning of DDC systems to decrease heating demand. In the past year with the installation of a sprinkler system throughout the entire facility additional insulation was installed in several areas of the building.
3.
Describe plans your organization has for continuing to minimize your GHG emissions:
Ongoing DDC upgrades and more efficient use of existing energy sources
Describe any actions your organization took during 2015 to strengthen its ability to manage the likely effects of climate change in the coming years and decades (e.g., have assessed whether increased requency of extreme weather events and/or long term changes in climate will affect your organization's infrastructure, its employees and/or its clients.)

#### Retirement of Offsets:

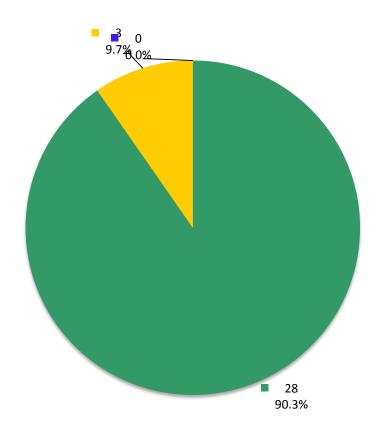

In accordance with the requirements of the Greenhouse Gas Reduction Targets Act and Carbon Neutral Government Regulation, *Wrinch Memorial Hospital* (the Organization) is responsible for arranging for the retirement of the offsets obligation reported above for the 2015 calendar year, together with any adjustments reported for past calendar years. The Organization hereby agrees that, in exchange for the Ministry of Environment ensuring that these offsets are retired on the Organization's behalf, the Organization will pay the associated invoice to be issued by the Ministry in an amount equal to \$25 per tonne of offsets retired on its behalf plus GST.

Executive Sign-off [To be signed by a senior official, such as CEO, COO or Superintendent]

Name: (print)	MARYJEAN	MORRISON	Title:	CEO	
Signature:	harden	Maris	Date:	hay :	30,2016

Please scan and email the completed form to climateactionsecretariat@gov.bc.ca

## Wrinch Memorial Hospital Greenhouse Gas Emissions by Source for the 2015 Calendar Year (tCO<sub>2</sub>e\*)

#### **Total Emissions: 31**

### Offsets Applied to Become Carbon Neutral in 2015 (Generated May 25, 2016 9:45 AM)

Total offsets required: 31. Total offset investment: \$775. Emissions which do not require offsets: 0 \*\*

<sup>\*</sup>Tonnes of carbon dioxide equivalent (tCO<sub>2</sub>e) is a standard unit of measure in which all types of greenhouse gases are expressed based on their global warming potential relative to carbon dioxide.

<sup>\*\*</sup> Under the Carbon Neutral Government Regulation of the Greenhouse Gas Reduction Targets Act, all emissions from the sources listed above must be reported. As outlined in the regulation, some emissions do not require offsets.
