## **The Power of Purchasing Together**

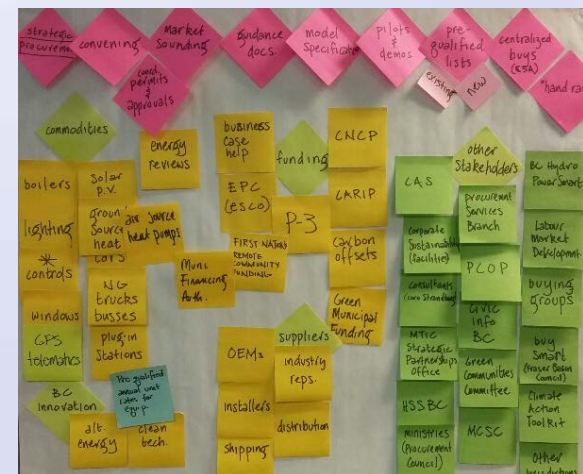

Sol Reeve

## Climate Action Secretariat is investigating strategic procurement

- Shared Services procurement groups:  
HSSBC, K-12, Post-Secondary, Crowns & SSBC
- Trade Agreements
- Individual Procurement Policies
- Market acceptance

BRITISH  
COLUMBIA

- Central procurements good for specialized equipment with homogenous specification
- Regional procurements good for service contracts
- Share best practices & lessons learned
- Share model specifications
- Pre-qualified lists
- Standing offers

BRITISH  
COLUMBIA

## LED Street Lights Across B.C.

- Education and guidance
- Financial analysis tool
- Access to Power Smart incentives
- CSA for lighting design consultants
- CSA for LED street light fixtures

## Clean Energy Vehicle Fleet Champions Program

- Fleet optimization training
- Vehicle suitability assessment
- Business case development support
- Supports West Coast Electric Fleets Pledge
- **Roll out next year**

BRITISH  
COLUMBIA

## Clean Energy Vehicle

### Fleet Champions Program – Procurement Program?

- Aggregate demand to assist OEMs in forecasting
- Coordinate the chicken & egg:
  - Ensuring charging/fuelling infrastructure in place
  - Ensuring certified shops and mechanics in place
  - Forecasting infrastructure & maintenance for purchase planning
