Reason for this Policy:
The Ministry has established this policy to define credentials and associated eligibility criteria under British Columbia’s hunting services online.

POLICY STATEMENT

It is the policy of the Ministry that:

1. A person who provides evidence of having successfully completed hunter safety training be granted the hunting credential in the Wildlife Information and Licensing Data (WILD) system,

2. A person who provides evidence of residency be granted a residency credential in the WILD system,

3. Licensed guide outfitters may apply for credentials on behalf of their clients.

4. A person who has maintained the B.C. resident credential in the WILD system for a period of 3 years is required to apply to renew the credential.

Definitions:

**hunting credential** – granted to a Fish and Wildlife Profile after the user has provided acceptable documentation, as prescribed in the Hunting and Residency Credentials procedure, to prove registration under the federal *Indian Act* or successful completion of hunter safety training.

**residency credential** – granted to a Fish and Wildlife Profile after the user has provided acceptable documentation, as prescribed in the Hunting and Residency Credentials procedure, to prove residency.
