Campbell River Forest District
Identified Recreation Resource Features Locator Map
Map 2 - (54 x 36)
April 12, 2006

NOTE TO USERS:

- The map represents the identified recreation resource features within the Campbell River Forest District.
- Legal boundaries of established recreation sites, trails, and interpretive features are shown.
- Indian reserves, parks, and protected areas are also indicated.
- Private land is represented with a different shading.

The map is intended for informational purposes only and should not be used for legal or commercial purposes without the proper legal and technical consultation.
