

Amendment of Scenic Areas and Establishment of Visual Quality Objectives for the North Coast Forest District

Pursuant to Section 2(2)(a) of the Forest and Range Practices Act, I have been delegated the authority to amend scenic areas and to establish visual quality objectives.

Pursuant to Section 7(1) of the Government Actions Regulation (GAR), I hereby amend scenic areas for the North Coast Forest District as shown on the attached map titled Amended Scenic Areas, North Coast Forest District, May 18, 2006. These scenic areas reflect amendment to the scenic areas originally made known in a letter dated September 17, 1997.

Also, pursuant to Section 7(2) of the GAR, I hereby establish Visual Quality Objectives (VQO'S) for the North Coast Forest District as shown on the attached map, titled Established Visual Quality Objectives, North Coast Forest District, May 18, 2006. These VQO's replace the recommended VQO's made known in a letter dated September 17, 1997, and the district manager's expectations for Visual Resource Management within the North Coast Forest District as detailed in a letter dated September 23, 2003.
