Re: Designation of the Comptroller of Water Rights

Under section 114(1) of the *Water Sustainability Act*, I designate the following public service employee as the Comptroller of Water Rights:

- a) Constance Alida Chapman

The exercise of authority as the Comptroller of Water Rights is as provided under applicable legislation and guided by the policies and procedures of the Ministry of Water, Land and Resource Stewardship.

The designation as the Comptroller of Water Rights remains in effect until the employee so designated ceases to be a British Columbia public service employee or until the designation is rescinded by the Minister of Water, Land and Resource Stewardship, whichever is earlier.

This designation revokes and replaces the previous Designation of the Comptroller of Water Rights, signed by the Deputy Minister of Forests and dated March 3, 2023.
