APPENDIX B

Consultation Process for Administrative and/or Operational Decisions and Operational Plans within Sumas Territory

- 1.1 British Columbia will consult with Sumas on proposed Administrative and/or Operational Decisions and Operational Plans that may potentially adversely impact Sumas's Aboriginal Interests within the Territory, in accordance with this Appendix B.
- 1.2 Sumas will fully participate in information sharing and/or consultation with British Columbia, Licensees or proponents regarding proposed Administrative and/or Operational Decisions or Operational Plans within the Territory in accordance with this Appendix B.
- 1.3 In order to facilitate consultation, the Parties will use section 1.10 of this Appendix to determine which proposed Administrative and/or Operational Decisions and Operational Plans will require consultation, as well as the appropriate level of consultation for those decisions and plans.
- 1.4 The level of consultation required for the types of Administrative and/or Operational Decisions and Operational Plans listed in Schedule 1 (the "List of Decisions") will be the level indicated in the column of Schedule 1 headed "Consultation Level", unless the Parties agree to a different consultation level under section 1.11 of this Appendix.
- 1.5 If on or before January 31st a Party requests that the List of Decisions or the consultation level for a type of decision or plan set out in it be revised for a subsequent BC Fiscal Year, the Parties will discuss that request and if the Parties agree to a revision, update the List of Decisions on or before March 31st of the current fiscal year.
- 1.6 If British Columbia becomes aware of proposed Administrative and/or Operational Decisions or Operational Plans not contained in the List of Decisions that will have effect within the Territory of Sumas during the current fiscal year, British Columbia will notify the Sumas of those decisions or plans and the Parties will, with reference to the criteria set out in the Matrix, seek to agree on the consultation levels that will be applicable to those decisions or plans.
- 1.7 If the Parties cannot agree upon which consultation level in section 1.10 of this Appendix should apply to a particular or any Operational or Administrative Decision or Operational Plan, then British Columbia will consult with Sumas on the basis of British Columbia's consultation procedures in effect at the time as well as the applicable case law respecting consultation obligations.
- 1.8 In reviewing and responding to a proposed Administrative and/or Operational Decision or Operational Plan submitted to them, Sumas will, unless otherwise agreed by the Parties, provide the party (i.e. British Columbia, Licensee or proponent) that supplied the proposed decision or plan to them, with

all reasonably available information that will identify any potential adverse impacts to their Aboriginal Interests that may occur as a result of the proposed Administrative and/or Operational Decision or Operational Plan within the Territory or forest or range resource development practices that may be carried out pursuant to that decision or plan.

1.9 If a proposed Administrative and/or Operational Decision or Operational Plan is submitted to Sumas and no response is received within the consultation period set out in section 1.10 of this Appendix for the consultation level applicable to the proposed Administrative and/or Operational Decision or Operational Plan, then British Columbia may proceed to make a decision regarding the decision or plan.

1.10 The Parties agree that:

- (a) as set out in the table below (the “Matrix”) there will be six (6) potential levels of consultation for a proposed Administrative and/or Operational Decision or Operational Plan;
- (b) subject to the List of Decisions, the appropriate consultation level for a proposed Administrative and/or Operational Decision or Operational Plan will be determined by reference to the criteria set out in the Matrix; and
- (c) the consultation period applicable to a consultation level is the period referred to in the Matrix, the List of Decisions or as otherwise agreed to by the Parties, whichever period is the longest.

Level	Description	Intent
1. Information Sharing: prior to formal consultation process	Referral to Sumas during planning to provide opportunity to incorporate Aboriginal Interests prior to submitting plan/request to Delegated Decision Maker.	Proponent or Licensee engages directly with Sumas, and provides summary of communications to British Columbia.
2. Available on Request	Type of notification whereby British Columbia informs Sumas they will not be sending out information.	British Columbia notifies on an annual basis which decision(s) fall in this category. Sumas can request more detail if they wish.
3. Notification	Notify in writing Sumas about an upcoming decision and provide overview information. Would be an opportunity for comment.	British Columbia provides Sumas base level information and a short reasonable time (21-30 calendar day consultation period determined by the Parties) to comment. Limited follow-up.

Level	Description	Intent
4. Expedited Consultation Process	Where there is an imminent threat to a resource value (e.g. mountain pine beetle spread control) an expedited consultation process is undertaken.	Intense but short timeline (about 10 calendar days). A justification for shortening the period would be given by describing the imminent threat. May require a meeting.
5. Normal Consultation	Follow on "normal" track for consultation guided by up-to-date consultation policy. Meetings to resolve issues where possible and make decision in a timely manner.	Intent to follow this course in most circumstances. Usually a 30 – 60 calendar day consultation period. May involve meaningful discussion of accommodation options where appropriate. British Columbia will notify Sumas of the final decision where requested by the Sumas.
6. Deep Consultation	Use reasonable effort to inform in an accessible manner and to engage in full discussions around the proposed decision. Make reasonable efforts to accommodate where necessary. Preliminary assessments may indicate a significant Aboriginal Interest and a significant impact to that interest.	Would involve meaningful discussion of suitable accommodation options and interim solutions where appropriate. May require extended timelines. British Columbia will provide the Sumas with the final decision and rationale in writing.

- 1.11 The Parties may agree to increase or decrease the consultation level for a specific proposed Administrative and/or Operational Decision or Operational Plan where detailed Aboriginal Interest information is provided that indicates a different consultation level is appropriate.
- 1.12 Unless requested by the Sumas, British Columbia is not obligated to inform the Sumas of the Delegated Decision Maker's decision where the consultation level in respect of the proposed decision was level three (3) or lower.

APPENDIX C

Revenue Sharing Contribution Methodology

Territory Forest Revenue Sharing Component

- 1.0 In each BC Fiscal Year that this Agreement is in effect, and subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts, a summary document will be prepared of the Chilliwack Resource District forest revenue, defined as the total of stumpage, waste and annual rent payments received by the Crown for the previous 2 BC Fiscal Years. An average amount over 2 years will be calculated for the Chilliwack Resource Forest District.
- 1.1 For the purposes of the summary document in section 1.0 of this Appendix, the stumpage payments from Eligible Volume in Sumas's Forest License (if applicable) will not be included in the calculations of forest revenue.
- 1.2 The amount of the forest revenue attributed to the Sumas's Territory will be calculated by determining the percent of Sumas's Territory that falls within the Timber Harvesting Land Base in the Chilliwack Resource Forest District, applied against the forest revenue described in section 1.0 of this Appendix. This calculation will prorate for overlapping territories of other First Nations.
- 1.3 The Territory Forest Revenue Sharing Component will be calculated by multiplying 9 percent (signatory of the Stó:lō SEA) of non-BC Timber Sales forest revenue attributed to the Sumas and 12 percent of BC Timber Sales forest revenue, as described in section 1.2 of this Appendix.
- 1.4 If Sumas is not receiving capacity funding for forestry consultation through a SEA or RA, then it will receive \$35,000 or the amount calculated in accordance with section 1.3, whichever is greater, which may be used by Sumas as capacity funding to participate in the consultation process in accordance with section 6.0 of this Agreement.
- 1.5 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 1.0 to 1.4 of this Appendix will be performed.

Direct Award Tenure Forest Revenue Sharing Component

- 2.0 Subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts, a summary document will be prepared detailing of Sumas's Forest License (if applicable) forest revenue, defined as the total of stumpage payments received by the Crown for the previous BC Fiscal Year from Eligible Volume within the Forest Licence.

- 2.1 The Direct Award Forest Tenure Revenue Sharing Component will be calculated by multiplying 50 percent (signatory of the Stó:lō SEA) of the forest revenue as described in section 2.0 of this Appendix.
- 2.2 For each Fiscal Year that this Agreement is in effect, the calculations outlined in sections 2.0 and 2.1 of this Appendix will be performed.

Forest Revenue Sharing Transition

- 3.1 For each BC Fiscal Year that this Agreement is in effect, a portion of the Revenue Sharing Contribution is calculated by adding the total of the Territory Forest Revenue Sharing Component to the Direct Award Tenure Forest Revenue Sharing Component for that BC Fiscal Year.
- 3.2 For each BC Fiscal Year that this Agreement is in effect, the remaining portion of the Revenue Sharing Contribution is calculated by determining the value of the payments that were made by British Columbia to Sumas in any given full year under the *Sumas Forest and Range Opportunity Agreement* (“the Annual Amount”) and applying the following percentages to that Annual Amount:
 - 3.2.1 2022/23 BC Fiscal Year 40 percent;
 - 3.2.2 2023/24 BC Fiscal Year 40 percent
 - 3.2.3 2024/25 BC Fiscal Year 40 percent
- 3.3 Notwithstanding section 3.2 of this Appendix, if the Revenue Sharing Transition Calculation for those BC Fiscal years under section 3.1 provides:
 - (a) an amount calculated under sections 1.3 and 2.1 of this Appendix that is equal to or greater than the annual payments received under the *Sumas Forest and Range Opportunity Agreement*, then Sumas will receive the annual payments described by the Revenue Sharing Calculation in section 3.1 for those BC Fiscal Years; or
 - (b) an amount calculated under the Revenue Sharing Transition Calculations in sections 3.1 and 3.2 of this Appendix that is greater than the annual payments received under the *Sumas Forest and Range Opportunity Agreement*, then Sumas will receive an annual payment for those BC fiscal Years that is equal to the annual payment received under the *Sumas Forest and Range Agreement*.

*Please note that key changes are highlighted in yellow.

Section	Clause Change	Rationale
Definitions	“Traditional Territory” defined term changed to “ Territory ”	Removed “Traditional” in response to feedback from First Nations stating that Traditional implies that something is not current.
Article 6- Consultation	<p><i>Original. 6.1 Satisfaction of consultation obligations.</i> The Parties agree that subject to section 6.3, the process set out in Appendix B will be the means by which they will fulfil their obligations to consult on proposed Operational Plans or proposed Administrative and/or Operational Decisions and, where appropriate, the means by which British Columbia will identify potential measures to accommodate any potential adverse impacts on «First_Nation»’s Aboriginal Interests resulting from Operational Plans or Administrative and/or Operational Decisions</p> <p><i>Revised. 6.1 Satisfaction of consultation obligations.</i> Subject to section 6.3, the process set out in Appendix B will be the means by which British Columbia will fulfil its obligation to consult on proposed Operational Plans or proposed Administrative and/or Operational Decisions and, where appropriate, the means by which British Columbia and «First_Nation» will identify potential measures to accommodate any potential adverse impacts on «First_Nation»’s Aboriginal Interests resulting from Operational Plans or Administrative and/or Operational Decisions</p>	Revised to reflect that the onus of consultation is on BC, and clarify that First Nation will also participate in identifying mitigation measures.
Article 7- Acknowledgments and Covenants	<p><i>Original 7.2 Revenue Sharing Contributions are an accommodation.</i> «First_Nation» agrees that the Revenue Sharing Contributions made under this Agreement constitute an accommodation for any potential adverse impacts of Administrative and/or Operational Decisions, and any forest or range development practices that may be carried out under an Operational Plans, on «First_Nation»’s Aboriginal Interests.</p> <p><i>Revised 7.2</i> «First_Nation» agrees that the Revenue Sharing Contributions made under this Agreement constitute a contribution towards any accommodation that may be required for any potential adverse impacts of Administrative and/or Operational Decisions, and any forest or range development</p>	Removes reference to “an accommodation” and focuses on payments being a contribution towards

	<p>practices that may be carried out under an Operational Plan, on «First_Nation»’s Aboriginal Interests.</p> <p><i>Original. 7.3 Where consultation process followed.</i> «First_Nation» agrees that if the consultation process set out in this Agreement is followed, British Columbia has adequately consulted and has provided an accommodation with respect to potential adverse impacts of Administrative and/or Operational Decisions, and any forest or range development practices that may be carried out under an Operational Plan, on «First_Nation»’s Aboriginal Interests.</p> <p><i>Revised. 7.3 Where consultation process followed.</i> «First_Nation» agrees that if the consultation process set out in this Agreement is followed, British Columbia has consulted, and this will be the process through which British Columbia will identify potential accommodation measures to address the potential adverse impacts of Administrative and/or Operational Decisions, and any forest or range development practices that may be carried out under an Operational Plan, on «First_Nation»’s Aboriginal Interests.</p>	<p>any accommodation that might be required.</p> <p>This revision removes the reference to “adequate” consultation and notes the process will be used to identify accommodation measures.</p>
<p>Article 8- Community Priorities, Annual Reports and Records</p>	<p><i>Delete. 8.1 Statement of Community Priorities.</i> «First_Nation» covenants and agrees that it will: (a) within 60 days of the Effective Date, based on the First Fiscal Year Revenue Sharing Contribution, prepare a statement of community priorities for the Term substantially in the form set out in Appendix E that outlines activities it intends to fund to help achieve the socioeconomic objectives referred to in section 2.1(b); and (b) before the end of each BC Fiscal Year, consider whether the statement of community priorities identified in subsection (a) should be revised based on the updated Revenue Sharing Contribution for subsequent BC Fiscal Years agreed to under section 3.5.</p> <p><i>Delete. 8.4 Audit.</i> British Columbia may, at its sole discretion and at the sole expense of Kwantlen First Nation, require an audit of the expenditures made from the Payment Account to determine that all such expenditures were made in furtherance of the purposes and objectives referred to in section 2.1.</p> <p><i>Delete. 8.5 Delivery of Report.</i> «First_Nation» will provide the annual report referred to in section 8.2 to British Columbia within 120 days of the end of each BC Fiscal Year.</p>	<p>8.1 was removed as it was not something BC believed was in alignment with self-determination.</p> <p>8.4 Audit provision is removed after the DN was jointly approved by MIRR and MoF’s Deputy Ministers.</p> <p>8.5 was removed as it has been a source of frustration for First Nations.</p> <p>Annual report is still required to be published to communities and public.</p>

<p>Article 9- Security Deposits</p>	<p><i>Delete.</i> 9.1 Silviculture Deposit. In consideration of «First_Nation» entering into this Agreement, British Columbia may choose not to require a silviculture deposit pertaining to a licence entered into as a result of a direct award tenure agreement entered into between «First_Nation», or a legal entity controlled by the «First_Nation», and British Columbia.</p>	<p>This matter is being addressed through other avenues.</p>
<p>Article 10- Set Off</p>	<p><i>Delete.</i> 10.1 Set off. In addition to any other right under this Agreement, British Columbia may set off against any payment that «First_Nation» is entitled to receive under this Agreement, any unfulfilled financial obligations of «First_Nation» to British Columbia arising from a licence entered into as a result of a direct award tenure agreement between «First_Nation», or a legal entity controlled by the «First_Nation», and British Columbia.</p> <p><i>Delete.</i> 10.2 Notice. British Columbia will notify «First_Nation» of the amount of the unfulfilled financial obligation before it exercises its right of set off under section 10.1.</p>	<p>Deleted due to infrequent use, and concerns raised.</p>
<p>Article 11- Assistance</p>	<p><i>Delete.</i> 11.1 Non-interference. «First_Nation» agrees it will not support or participate in any acts that frustrate, delay, stop or otherwise physically impede or interfere with provincially authorized forest activities.</p> <p><i>Original.</i> 11.2 Cooperation and Support. «First_Nation» will promptly and fully cooperate with and provide its support to British Columbia in seeking to resolve any action that might be taken by a member of «First_Nation» that is inconsistent with this Agreement.</p> <p><i>Revised.</i> 9.1 Cooperation and Support. «First_Nation» will work in partnership with British Columbia and in a timely manner to discuss and seek to resolve issues in relation to any action that might be taken by a Member that is inconsistent with this Agreement.</p>	<p>11.1 removed due to concerns from First Nations that this provision divides Chief and Council (signatories) and their members.</p> <p>11.2 (now 9.1) revised from full compliance language to partnership between First Nations and the Ministry.</p>
<p>Article 13- Suspension and Termination</p>	<p><i>Original.</i> 13.1 Suspension of Revenue Sharing Contributions. In addition to any other right under this Agreement, British Columbia may suspend further Revenue Sharing Contributions under this Agreement where «First_Nation»: (a) is in material breach of its obligations under Articles 6, 8 or 11 or Appendix B of this Agreement; or (b) has outstanding unfulfilled financial obligations to British Columbia arising from a licence issued further to an agreement between «First_Nation» and British Columbia.</p> <p><i>Revised.</i> 11.1 Suspension of Revenue Sharing Contributions. British Columbia may suspend further Revenue Sharing</p>	<p>13.1 (now 11.1), deleted (b) as Set Off provision (10.1) removed.</p>

Contributions under this Agreement where «First_Nation» is in material breach of its obligations under this Agreement.

Delete. 13.4 Proceedings inconsistent with acknowledgments.

Notwithstanding any other provision of this Agreement, British Columbia may suspend Revenue Sharing Contributions and may terminate this Agreement at any time by written notice where «First_Nation» challenges or supports a challenge to an Administrative and/or Operational Decision, an Operational Plan or activities carried out pursuant to those decisions or plans, by way of legal proceedings or otherwise, on the basis that: (a) contrary to section 7.2, a Revenue Sharing Contribution provided for under this Agreement does not constitute an accommodation for adverse impacts of such decisions, plans or activities on «First_Nation»'s Aboriginal Interests; or (b) contrary to section 7.3, by British Columbia or a Licensee following the consultation process described in Appendix B, British Columbia has not adequately consulted with «First_Nation» regarding the potential adverse impacts of such decisions, plans or activities on «First_Nation»'s Aboriginal Interests.

Deleted 13.4 as it is no longer seen as a reason to suspend or terminate an FCRSA. This is in response to criticism from First Nations that this clause was a barrier to First Nations pursuing their Rights in court.
