

**Comox First Nation Forest Agreement Amendment #1**

In the matter of an Amendment of the Comox First Nation Forest Agreement between the Comox First Nation and the Government of British Columbia, dated June 20, 2005 (the "Agreement");

**Whereas the parties entered into the Agreement on June 30, 2005, and the parties have determined that, pursuant to Section 11.1 of the Agreement, Section 3.1 must be amended to provide additional opportunities referred to in that section to be realised, THEREFORE the parties agree to amend the Agreement as follows:**

- 1.0 Section 3.1.1 (Forest Tenure) is deleted in its entirety and replaced with a new Section 3.1.1 (attached).
- 2.0 Section 3.1.2 (Forest Tenure) is deleted in its entirety and replaced with a new Section 3.1.2 (attached).
- 3.0 Map of Woodlot 1968 Area Amendment is added as Appendix B.
- 4.0 Map of Woodlot 2030 is added as Appendix C.
- 5.0 All other sections of the Agreement remain in force between the parties and are unchanged.

### 3.1 Forest Tenure

- 3.1.1 After the execution of this Agreement by the Parties, and as soon as sufficient volume of timber is available for disposition to the Comox First nation as a result of the implementation of the *Forestry Revitalization Act*, the Minister will invite the Comox First Nation to apply, under Section 47.3 of the *Forest Act*, for a woodlot licence known as Union Bay woodlot that will have a minimum size of 500 hectares and the maximum size of 675 hectares as shown in Appendix B. The AAC for this woodlot will be determined based on an agreed to AAC analysis once the final area is determined.
- 3.1.2 If during the term of this Agreement a regulation is passed enacting changes to section 44 of the *Forest Act*, which would permit the Comox First Nation to hold two woodlot licences, and as soon as sufficient volume of timber is available for disposition to the Comox First Nation as a result of the implementation of the *Forestry Revitalization Act*, the Minister may invite Comox First Nation to apply under Section 47.3 of the *Forest Act*, for a second woodlot licence up to 728 hectares in size as indicated on the maps in Appendix C known as the Salmon River woodlot. For purposes of the agreement, volume calculations will be based on an initial mean annual increment of 4.13 m<sup>3</sup>/ha/yr for the blocks comprising the Salmon River woodlot.
