(Collectively the "Parties")

WHEREAS:

- A. British Columbia and First Nations Leadership Council, representing the Assembly of First Nations-BC Region, First Nations Summit, and the Union of BC Indian Chiefs ("Leadership Council") have entered into a New Relationship in which they are committed to reconciliation of Aboriginal and Crown titles and jurisdiction, and have agreed to implement a government-to-government relationship based on respect, recognition and accommodation of Aboriginal title and rights.

The Hupacasath First Nation intends to participate in any consultation with British Columbia or a Licensee, in relation to forest and/or range resource development activities proposed within the Hupacasath First Nation's Traditional Territory that may lead to an infringement of the Hupacasath First Nation's Aboriginal Interests.
- J. British Columbia and the Hupacasath First Nation wish to resolve issues relating to forest and/or range resource development where possible through negotiation as opposed to litigation.

THEREFORE THE PARTIES AGREE AS FOLLOWS:

General Provisions:

- This agreement and the schedules to this agreement are without prejudice to the ongoing obligation of the Crown to meaningfully consult and accommodate Hupacasath in regard to the Removal Decision.
- The Parties further agree that any accommodation in this agreement is not an accommodation of the economic component or any other component of the Removal Decision with respect to Hupacasath's Aboriginal Interest; and

It is acknowledged that other accommodations, including economic accommodations, may be jointly developed by the Parties during the term of this Agreement.
- 1.10. "Removal Decision": Means the Decision made by the Minister of Forest in July 2004 to allow Weyerhaeuser Canada to remove approximately 70,000 hectares of private lands from under the management of TFL 44.

2. Purpose and Objectives

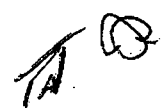

The purposes and objectives of this Agreement are to:

- 2.1. Provide interim payment to the Hupacasath First Nation through economic benefits related to forestry received by British Columbia from forest resource development.
- 2.2. Assist in the improvement of social conditions of the Hupacasath First Nation through economic diversification.
- 2.3. Address consultation and provide Interim Accommodation, as set out in this Agreement.
- 2.4. Provide an interim period of stability to forest and/ or range resource development on Crown lands within the Traditional Territory of the Hupacasath First Nation during the term of this Agreement, while longer term interests are addressed through other agreements or processes.

3. Economic Benefits to the Hupacasath First Nation

During the term of this Agreement, British Columbia will provide the following economic benefit to the Hupacasath First Nation:

- 3.1. Interim Payment

- 3.1.1. During the term of this Agreement, British Columbia will make an interim payment to the Hupacasath First Nation of \$114,280 annually.
- 3.1.2. The funding commitment in section 3.1.1 is subject to the Financial Administration Act, which makes that obligation subject to an appropriation being available in the fiscal year of the Province during which payment becomes due. 
- 3.1.3. For the purposes of determining amounts for partial years, one-fourth (i.e. ¼) of the annual amount will be used for each fiscal quarter or part thereof that the Agreement is in effect. Payments will be made quarterly.
- 3.1.4. Upon signing of this Agreement, the Hupacasath First Nation will be paid the full revenues for the quarter in which the Agreement is signed (e.g. if this Agreement is signed at the end of the quarter, the Hupacasath would receive payment for that entire quarter), with subsequent payments being made at the end of each quarter.
- 3.1.5. British Columbia will not seek to direct or influence the expenditure of the funds provided to the First Nation. British Columbia will, however, require that the Hupacasath First Nation provide, on an annual basis, a report detailing how the funds provided through this Agreement have been utilised.

3.2 Future Tenure Opportunity

- 3.2.1 The Parties acknowledge that the offer of a Forest Tenure is normally a part of an Interim Agreement on Forest and Range Opportunities where volume is available. The Parties also acknowledge that a mediation process is underway to address appropriate accommodation for the effects of the Removal Decision on Hupacasath First Nation asserted aboriginal rights on their claimed territory, both with respect to Crown land and the Removed Lands. Following the completion or termination of the mediation process, the Parties agree that negotiations will start on a Direct Award Tenure Agreement which will include the offer of a Forest Tenure where volume is available and not used in the mediation process.

4. Consultation and Accommodation Regarding Operational and Administrative Decisions and Plans

- 4.1. The Hupacasath First Nation is entitled to full consultation with respect to all potential infringements of their Aboriginal Interests arising from forest and range activities that are authorised by Operational or Administrative Decisions or Plans affecting the Hupacasath First Nation's Aboriginal Interests, regardless of benefits provided under this Agreement.
- 4.2. During the term of this Agreement, and subject to the terms and the intent of this Agreement being met and adherence by British Columbia, the Hupacasath First Nation agrees that British Columbia will have provided an Interim Accommodation with respect to the economic component of potential infringements of the Hupacasath First Nation's Aboriginal Interests as an interim measure as a result of forest and range activities occurring within their Traditional Territory.
- 4.3. The interim payment set out in this Agreement reflects an amount that British Columbia, through the Minister of Forests and Range, is able to pay as an interim measure, which the Hupacasath First Nation has agreed to accept.
- 4.4. The Province acknowledges that the funding provided through this Agreement are an interim accommodation only and that broader processes are underway that will assist in determining the appropriate accommodation in respect of impacts on the Hupacasath First Nation's Aboriginal Interests as a result of forest and range activities within their Traditional Territory.
- 4.5. Nothing in this Agreement restricts the ability of Hupacasath First Nation to seek additional accommodation for impacts on its Aboriginal Interests from forest resources development within its Traditional Territory.
- 4.6. The Parties agree to develop consultation processes to address both Operational and Administrative Decisions and Operational Plans, which may affect the Hupacasath First Nation's Aboriginal Interests within their Traditional Territory (Appendix B).
- 4.7. In developing such consultation processes, the Parties further agree to address consultation on Administration Decisions, Operational Decisions and Operational Plans through participation

of the Hupacasath First Nation in strategic level planning and policy development processes.

5. Dispute Resolution

- 5.1. If a dispute arises between British Columbia and the Hupacasath First Nation regarding the interpretation of a provision of this Agreement, the Parties or their duly appointed representatives will meet as soon as is practicable to attempt to resolve the dispute.
- 5.2. If the Parties are unable to resolve differences at the appropriate level, the interpretation issue will be raised to more senior levels of British Columbia and the Hupacasath First Nation.
- 5.3. If the interpretation dispute cannot be resolved by the Parties directly, they may appoint an independent and mutually agreeable mediator to resolve that dispute within 60 days, or such period as agreed upon, or the Parties may choose other appropriate approaches to assist in reaching resolution of the interpretation issue.

6. Term and Termination

- 6.1. The term of this Agreement is five (5) years.
- 6.2. This Agreement will take effect on the date on which the last Party has executed it.
- 6.3. This Agreement will terminate on the occurrence of the earliest of any of the following events: expiry of its term 90 days notice; or mutual agreement of the parties.
- 6.4. Neither Party shall terminate this Agreement on the grounds that the other Party has challenged an Administrative or Operational Decision by way of legal proceedings.
- 6.5. Prior to the expiry of the 90 days when 90 day notice of termination has been given under Section 6.3, the Parties agree to meet and endeavour to resolve the issue that has given rise to the 90 day notice of termination.

7. Renewal of the Agreement

- 7.1. Prior to the expiry of the term of this Agreement, if the terms and conditions of this Agreement are being met, British Columbia and the Hupacasath First Nation will seek the necessary authorities and

approvals to enter into negotiations to renew this Agreement, or to conclude a new forestry agreement, consistent with the New Relationship.

- 7.2. Any subsequent forestry agreement between British Columbia and the Hupacasath First Nation may provide for an opportunity to acquire a licence, other forest tenures, and/or other economic benefits, as well as other terms and conditions that are agreed to by the Parties.

8. Amendment of Agreement

- 8.1. Any alteration or amendment to the terms and conditions of the Agreement must be in writing and duly executed by the Parties.
- 8.2. Either Party may request the participation of the other Party to review the effectiveness of this Agreement annually and consider amendments to this Agreement.

The Parties agree that new approaches for consultation and accommodation, including benefit and revenue sharing, and tenuring will be developed as a priority under the New Relationship by British Columbia and the Leadership Council. The Hupacasath First Nation may choose to opt into such approaches as they become available, through amendment of this Agreement or other mutually agreeable methods.

9. Entire Agreement

- 9.1. This Agreement and any amendment to it constitute the entire Agreement between the Parties with respect to the subject matter of this Agreement.

10. Notice

- 10.1. Any notice or other communication that is required to be given or that a Party wishes to give to the other Party with respect to this Agreement, will be in writing and will be effective if delivered, sent by registered mail, or transmitted by facsimile to the address of the other Party as in this section of the Agreement.
- 10.2. Any notice or other communications will be deemed to have been given on the date it is actually received, if received before 4:00 p.m. If received after 4:00 p.m., it will be deemed to have been received on the next business day.

1. Scope and Purpose

- 1.1 The government of British Columbia agrees to consult with the Hupacasath First Nation on those Operational Decisions, Operational Plans and Administrative Decisions or any of those plans or decisions, which may infringe the Aboriginal Interests of the Hupacasath First Nation in accordance with the process set out in this consultation protocol, except for the economic component of those interests which the parties agree are addressed by the economic accommodation provided in section 4.4 of this Interim Agreement on Forest and Range Opportunities ("the Agreement").
- 1.2 This protocol fulfills section 4.6 of the Agreement and will apply to all Operational and Administrative Decisions made by the Ministry of Forests and Range (MFR) which may affect the Hupacasath First Nation's Aboriginal Interests within their Asserted Traditional Territory
- 1.3 This protocol applies to the provincial Crown lands in the Hupacasath First Nation's Asserted Traditional Territory as defined in the Agreement.
- 1.4 The objectives of consultation are:
 - 1.4.1 To encourage to the greatest extent possible, sustainable forest management practices that incorporate the Aboriginal Interests of the Hupacasath First Nation;

 - 1.4.6 To enhance the communication between parties.

2. Definitions

- 2.1 The definitions set out in section 1 of the Agreement apply where those defined terms are used in this protocol, and for greater certainty, will continue to apply in this protocol after the expiry or termination of the Agreement unless the Parties to this protocol otherwise agree;
- 2.2 "Response Period" means a period of up to 60 days from the initiation of the process set out in section 3.2 of this protocol, where the initiation date is the date on which the Hupacasath First Nation receives information regarding the proposed Administrative Decision or Timber Supply Review process, or a copy of the Operational Plan for review. Where an emergency operation arises and/or expedited salvage has to occur, the Response Period will be shortened accordingly, but will not be less than the time period for advertising Operational Plans for those operations, if an advertising requirement is applicable.
- 2.3 A reference to the "Ministry of Forests and Range" or "MFR" in this protocol includes, as appropriate, a reference to a Minister, Deputy Minister, Regional Executive Director, Timber Sales Manager, District Manager or any of their designates;

3. Consultation Process:

3.1 General

The parties acknowledge that the scope of the duty to consult and, where appropriate, accommodate, as described in the Supreme Court of Canada decision in *Haida*, exists on a spectrum and is proportionate to a preliminary assessment of the strength of the Aboriginal Interest(s) and to the seriousness of the potential effect the anticipated decision may have on the Aboriginal Interest(s). This spectrum will vary from a duty to provide notice, disclose information, and discuss issues in response to the notice, to deep consultation aimed at finding a satisfactory interim solution.

- 3.1.1 Notification of initiation of consultation with appropriate information will be sent to: Chief and council of the Hupacasath First Nation. Any replies to MFR consultation by the Hupacasath First Nation will be sent to the MFR representative who initiated the consultation. (i.e. District Manager, Regional Executive Director, BC timber Sales Manager etc.) unless otherwise agreed by the Parties.
- 3.1.2 During the term of the Agreement, the Hupacasath First Nation agrees to fully participate in the consultation process as set out in this consultation protocol, and thereafter as the Parties may agree.

- 3.1.3 During the term of this agreement, the Hupacasath First Nation agrees that the Government of British Columbia has fulfilled its duties to consult as set out in this consultation protocol.
- 3.1.4 MFR agrees to initiate the consultation process at the earliest practical opportunity to provide the Hupacasath First Nation with a reasonable opportunity to engage in the consultation process before a decision is made concerning the forestry activity;
- 3.1.5 Where no response is received within the Response Period, MFR may conclude that the Hupacasath First Nation does not intend to respond or participate in the consultation process and a decision by MFR will proceed;
- 3.1.6 This protocol and its processes are not intended to constrain MFR or Licensee's relationship with the Hupacasath First Nation and other opportunities may be taken to enhance the relationship.
- 3.1.7 The Parties acknowledge that Forest Development Plans and Forest Stewardship Plans will be consistent with approved land use plans when higher-level plan objectives have been established.

3.2 Information Sharing

The parties agree that information sharing constitutes the beginning of the consultation process.

- 3.2.1.4 When comments have been received regarding Operational Plans, provide to the Hupacasath First Nation a copy of the Plan submitted to the District Manager for a decision, a description of how the Aboriginal Interests and cultural heritage resources have been considered, and will provide an opportunity for the Hupacasath First Nation to provide further comments.
- 3.2.1.5 For Administrative Decisions, meet at mutually agreed times throughout the year to provide an opportunity for Hupacasath First Nation to make known to representatives of the government of

British Columbia their concerns and comments relative to the effects of the Administrative Decision(s) within the Traditional Territory.

3.2.1.6 The Hupacasath First Nation may develop suggested information sharing practices that may be adopted by Licensees when reviewing Forest Stewardship Plans with the Hupacasath First Nation

3.3 Further Consultation and Accommodation As Appropriate

3.3.1 Where required, further consultation meetings may occur to discuss First Nation issues identified in section 3.2.2.3 and potential measures to address those concerns. The parties agree that any economic component of aboriginal interests have been addressed in the interim by the economic benefits provided for under Section 3.0 of the Agreement.

3.4 Decision

3.4.1 Where the Hupacasath First Nation requests additional relevant site specific information, the decision maker will make reasonable efforts to provide available relevant information from the Licensee or through MFR. The decision maker may not have access to certain Licensee information.

- 3.4.2.2 Prior to issuing a road permit, cutting permit or proposed timber sale, the decision maker will consider any existing or new information regarding Aboriginal Interests and impacts on Aboriginal Interests that is provided by the Hupacasath First Nation, and will ensure that the information sharing and consultation process has been adequate.
- 3.4.2.3 MFR will communicate the results of the decision to the Hupacasath First Nation in writing after the decision is made.

4. Term

- 4.1 This protocol will continue in effect between the Parties until such time as one or the other provides the other Party with 60 days notice of their intention to terminate and withdraw from this protocol.
- 4.2 Upon expiry of the Agreement, this protocol will continue unless terminated upon request of either of the Parties, pursuant to section 4.1 of this protocol.

5. Amendments

- 5.1 Any alteration or amendment to the terms and conditions of this protocol must be in writing and duly executed by the Parties.
- 5.2 Either Party may request the participation of the other Party to review the effectiveness of this protocol annually and consider amendments to this protocol.
- 5.3 The Parties agree that new approaches for consultation and accommodation will be developed as a priority under the New Relationship by British Columbia and the Leadership Council. The Hupacasath First Nation may choose to opt into such approaches as they become available, through amendment of this protocol or other mutually agreeable methods.

6. Dispute Resolution

- 6.1 This protocol will follow the same dispute resolution process outlined in section 5.0 of the Agreement, which will continue in effect after the termination or expiry of the Agreement, unless the Parties otherwise agree.
