PO Box 220

Dear Chief Dick:

Attached is a copy of the signed amendment of Section 3.1.1 of the Wewaikai Interim Forestry Agreement (the Agreement) between Wewaikai Nation (also known as the Cape Mudge Indian Band) and the Government of British Columbia dated March 31, 2005.

I understand that the Wewaikai Nation has already submitted an application for the 71 830 cubic meters (m<sup>3</sup>) tenure opportunity, including operating areas within Tree Farm Licence (TFL) 45 and the Strathcona Timber Supply Area (TSA). The Wewaikai Nation has been offered a non-replaceable forest licence for the Strathcona TSA portion (36 830 m<sup>3</sup>). This amendment enables the Regional Manager of the Coast Forest Region to consider proceeding with making an offer for a non-replaceable forest licence (not to exceed 35 000 m<sup>3</sup>) in TFL 45.

Please contact Ryan Jordan, Tenures Forester, Coast Forest Region at (250) 751-7185 with any questions that you may have regarding the amendment or the licence award process.

Sincerely yours,

A handwritten signature in black ink, appearing to be "Rich Coleman", written over a white rectangular area.

Minister
