Her Majesty the Queen in Right of the Province of British Columbia
as represented by the Minister of Aboriginal Relations and Reconciliation
("British Columbia")

(Collectively the "Parties")

WHEREAS:

- A. In 2005, British Columbia and the First Nations Leadership Council, representing the Assembly of First Nations-BC Region, First Nations Summit, and the Union of BC Indian Chiefs entered into a New Relationship and signed the Transformative Change Accord, the purposes of which is to implement a government-to-government relationship based on an effective working partnership, enhanced collaboration, mutual respect and recognition and accommodation of Aboriginal title and rights and achieve the mutual goals of closing the social and economic gap between First Nations and other British Columbians.
- B. This statement will outline the community priorities based on the First Fiscal Year Revenue Sharing Contribution.

 - 6.1.4 British Columbia retains the right at its sole discretion, such discretion to be exercised reasonably, to require an audit of expenditures made from the Payment Account to ensure that all such expenditures were made for appropriate purposes under this Agreement, such audit to be at the expense of the Nuchatlaht First Nation or its Designate.

- 6.1.5 The documents referred to in sections 6.1.1, 6.1.2, and 6.1.3 will be published by Nuchatlaht First Nation or its Designate in a manner that can reasonably be expected to bring the information to the attention of its communities and the public.
- 6.1.6 Notwithstanding the termination or expiry of this Agreement, Nuchatlaht First Nation or its Designate will continue to comply with the provisions of section 6.1 until 90 days after it receives the last Revenue Sharing Contribution from British Columbia.
- 6.2 If Nuchatlaht First Nation requires funding ("capacity") to engage in consultation processes on forest and range decisions, or with other provincial Ministries where Nuchatlaht First Nation has entered into an SEA and/or RA with British Columbia, up to \$35,000 annually of the Revenue Sharing Contribution will be used by Nuchatlaht First Nation for that capacity during the Term of this Agreement.

7.0 Security Deposits

- 7.1 In recognition of Nuchatlaht First Nation entering into this Agreement, British Columbia may choose not to request a silviculture deposit(s) pertaining to licence(s) entered into as a result of the invitation to apply under a Forest Tenure Opportunity Agreement entered into between Nuchatlaht First Nation (or a legal entity controlled by the Nuchatlaht First Nation) and British Columbia.
- 7.2 Nuchatlaht First Nation agrees that British Columbia may apply any payment that Nuchatlaht First Nation is entitled to receive under this Agreement, to a maximum of the amounts that British Columbia would have obtained in a silviculture deposit, in order to fully or partially satisfy any unfulfilled financial obligations of Nuchatlaht First Nation to British Columbia arising from a licence(s) entered into as a result of the invitation to apply under a Forest Tenure Opportunity Agreement entered into between Nuchatlaht First Nation (or a legal entity controlled by the Nuchatlaht First Nation) and British Columbia.
- 7.3 Prior to British Columbia applying any payment to satisfy unfulfilled Nuchatlaht First Nation financial obligations arising from a licence(s) in accordance with section 7.2, British Columbia will notify the Nuchatlaht First Nation of the unfulfilled financial obligation(s) and will discuss the proposed action with the Nuchatlaht First Nation.

- 9.2 If the Parties are unable to resolve differences at the appropriate level, the interpretation issue will be raised to more senior levels of British Columbia and the Nuchatlaht First Nation.
- 9.3 If the interpretation dispute cannot be resolved by the Parties directly, the Parties may choose other appropriate approaches to assist in reaching resolution of the interpretation issue.

10.0 Suspension and Termination

- 10.1 British Columbia may suspend the making of further Revenue Sharing Contributions under this Agreement if it determines, acting reasonably, that Nuchatlaht First Nation is not fulfilling its obligations under sections 4.0 and 6.0 or sections 8.1 or 10.3 of this Agreement, or where the Nuchatlaht First Nation has outstanding unfulfilled financial obligations to British Columbia arising from a licence(s) issued further to an agreement between the Nuchatlaht First Nation and British Columbia. Upon making any such determination, British Columbia will provide notice to Nuchatlaht First Nation of the alleged non-compliance, and the Parties will then attempt to resolve their differences.
- 10.2 If the alleged non-compliance by Nuchatlaht First Nation is not resolved within 60 days of the notice provided in section 10.1, British Columbia will notify Nuchatlaht First Nation that the alleged non-compliance remains unresolved and, without limiting the actions that may be taken by British Columbia, may terminate this Agreement.
- 10.3 If, during the term of this Agreement, Nuchatlaht First Nation challenges or supports a challenge to an Administrative Decision and/or Operational Decision or an Operational Plan or activities carried out pursuant to those decisions or plans, by way of legal proceedings or otherwise, on the basis that, contrary to section 5.2, the Revenue Sharing Contribution provided for in section 3.0 of this Agreement does not provide an accommodation for impacts on Nuchatlaht First Nation's Aboriginal Interests then, without limiting any actions that may be taken by British Columbia, the Revenue Sharing Contribution provided for in section 3.0 may be suspended or this Agreement may be terminated by British Columbia.
- 10.4 This Agreement will terminate prior to the end of the Term in any one of the following circumstances; 90 days' written notice of termination is given by one Party to the other; termination occurs in accordance with any of the provisions of section 10.0; or upon mutual agreement of the Parties. In the event of such early termination of this Agreement, the Revenue Sharing

Contribution for the BC Fiscal Year in which termination becomes effective will be prorated to the termination date.

- 10.5 If a Party gives written notice of its intention to terminate this Agreement effective 90 days from the date of the notice, the Parties will, prior to the end of the 90-day period, meet and will attempt to resolve any issue that may have given rise to the termination notice.

APPENDIX B

Consultation

On Operational and Administrative Decisions and Operational Plans.

In order to facilitate consultation with respect to Operational and Administrative Decisions and Operational Plans, the Parties have agreed to use the Matrix framework set out in section 1.1 of this Appendix ("section 1.1"), which allows the Parties to determine which Operational and Administrative Decisions and Operational Plans will require consultation, as well as the associated appropriate level of consultation for those decisions and plans.

- 1.1 British Columbia agrees to consult with Nuchatlaht First Nation in accordance with the applicable consultation level agreed to by the Parties under section 1.1 on Operational Plans, Operational Decisions, and Administrative Decisions that may potentially adversely impact Nuchatlaht First Nation's Aboriginal Interests within the Traditional Territory.
- 1.2 Nuchatlaht First Nation agrees to fully participate with British Columbia and/or Licensees or licence proponents, as set out in this Agreement and in accordance with the applicable level of consultation to which the Parties have agreed under section 1.1, in information sharing and/or consultation regarding proposed Operational Decisions, Administrative Decisions, and Operational Plans dealing with forest and range development within the Traditional Territory.
- 1.3 In this Appendix, "First Annual List" means a list of Operational and Administrative Decisions and Operational Plans, which may require consultation during the First Fiscal Year of the Term or part thereof in which the Effective Date occurs, that is provided to the Nuchatlaht First Nation by British Columbia in advance of the Parties entering into this Agreement.
- 1.4 Prior to entering into this Agreement, the Parties will agree on the applicable consultation levels for the decisions on the First Annual List, using the consultation levels described in section 1.1.
- 1.5 In this Appendix, "Annual List" means an annual list of Operational and Administrative Decisions and Operational Plans that may require consultation in a fiscal year of the Agreement in which those decisions are anticipated to be made, and that will be provided to the Nuchatlaht First Nation by British Columbia before March 31st of each year after the First Fiscal Year of the Term.
- 1.6 For fiscal years subsequent to the First Fiscal Year of the term, the Parties will meet annually on or before March 31st to discuss the Annual List and, in the case of decisions and plans for which the Parties have not already agreed to a consultation level described in section 1.1 in a preceding fiscal year, the Parties will agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans on the Annual List, in accordance with section 1.1.

- 1.7 When British Columbia becomes aware of proposed types of Operational or Administrative Decisions or Operational Plans not contained in the Annual List that will have effect within the Traditional Territory of Nuchatlaht First Nation during the current fiscal year, British Columbia will notify the Nuchatlaht First Nation of those new types of decisions or plans and the Parties will seek to agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans, in accordance with section 1.1.
- 1.8 In reviewing and responding to an Operational Decision, Administrative Decision, or Operational Plan submitted to them, Nuchatlaht First Nation will, unless otherwise agreed by the Parties, provide the party (i.e. British Columbia, a licensee or proponent) that supplied the proposed decision or plan to them, with all reasonably available information that will identify any potential impacts to their Aboriginal Interests that may occur as a result of proposed forest and/or range resource development activities pursuant to that Operational Decision, Administrative Decision or Operational Plan within the Traditional Territory.
- 1.9 If no response is received from Nuchatlaht First Nation within the timeframe set out in section 1.1, then British Columbia may conclude that Nuchatlaht First Nation does not intend to respond or participate in the consultation process in respect of the Operational or Administrative Decision or Operational Plan and that a decision may proceed.
- 1.10 The Parties agree to the following description and intent of the consultation levels:

Level	Description	Intent
1. Information Sharing: prior to formal consultation process	Referral to Nuchatlaht First Nation during planning to provide opportunity to incorporate Aboriginal Interests prior to submitting plan/request to Decision Maker.	Proponent or tenure holder engages directly with Nuchatlaht First Nation, and provides summary of communications to British Columbia.
2. Available on Request	Type of notification whereby British Columbia informs Nuchatlaht First Nation they will not be sending out information.	British Columbia notifies on an annual basis which decision(s) fall in this category. Nuchatlaht First Nation can request more detail if they wish.
3. Notification	Notify in writing Nuchatlaht First Nation about an upcoming decision and provide overview information. Would be an opportunity for comment.	British Columbia provides Nuchatlaht First Nation base level information and a short reasonable time (21-30 calendar day consultation period determined by the Parties) to comment. Limited follow-up.

Level	Description	Intent
4. Expedited Consultation Process	Where there is an imminent threat to a resource value (e.g. mountain pine beetle spread control) an expedited consultation process is undertaken.	Intense but short timeline (about 10 calendar days). A justification for shortening the period would be given by describing the imminent threat. May require a meeting.
5. Normal Consultation	Follow on “normal” track for consultation guided by up-to-date consultation policy. Meetings to resolve issues where possible and make decision in a timely manner.	Intent to follow this course in most circumstances. Usually a 30 – 60 calendar day consultation period. May involve meaningful discussion of accommodation options where appropriate. British Columbia will notify Nuchatlaht First Nation of the final decision where requested by the Nuchatlaht First Nation.
6. Deep Consultation	Use reasonable effort to inform in an accessible manner and to engage in full discussions around the proposed decision. Make reasonable efforts to accommodate where necessary. Preliminary assessments may indicate a significant aboriginal interest and a significant impact to that interest.	Would involve meaningful discussion of suitable accommodation options and interim solutions where appropriate. May require extended timelines. British Columbia will provide the Nuchatlaht First Nation with the final decision and rationale in writing.

- 1.11 The Parties may agree to adjust the consultation levels for specific circumstances where detailed aboriginal interest information is shared that would suggest a different consultation level.
- 1.12 Nuchatlaht First Nation agrees that the province is not obligated, unless requested by the Nuchatlaht First Nation, to inform the Nuchatlaht First Nation of the Delegated Decision Maker's decision for decisions on which the consultation level has been level three (3) or lower.
- 1.13 If the Parties cannot agree upon which consultation level in section 1.1 should apply to a particular or any Operational or Administrative Decision or Operational Plan, then British Columbia will consult with Nuchatlaht First Nation on the basis of British Columbia's consultation procedures in effect at the time as well as the applicable case law respecting consultation obligations.

APPENDIX C

Revenue Sharing Contribution Methodology

Traditional Territory Forest Revenue Sharing Component

- 1.0 In each BC Fiscal Year that this Agreement is in effect, and subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts of British Columbia, a summary document will be prepared of Campbell River District forest revenue, defined as the total of stumpage, waste and annual rent payments received by the Crown for the previous 2 BC Fiscal Years. An average amount over 2 years will be calculated for Campbell River District.
- 1.1 For the purposes of the summary document in section 1.0 of this Appendix, the stumpage payments from Nuchatlaht First Nation's Forest License (A83327) will not be included in the calculations of forest revenue.
- 1.2 The amount of the forest revenue attributed to the Nuchatlaht First Nation's Traditional Territory will be calculated by determining the percent of Nuchatlaht First Nation's Traditional Territory that falls within the Timber Harvesting Land Base in Campbell River District, applied against the forest revenue described in section 1.0 of this Appendix. This calculation will prorate for overlapping territories of other First Nations.
- 1.3 The Traditional Territory Forest Revenue Sharing Component will be calculated by multiplying 3 percent of the forest revenue attributed to the Nuchatlaht First Nation as described in section 1.2 of this Appendix.
- 1.4 Where the calculation in section 1.3 of this Appendix is less than \$35,000, Nuchatlaht First Nation will receive a maximum of \$35,000 to provide capacity to participate in the consultation process in accordance with section 4.0 of this Agreement.
- 1.5 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 1.0 to 1.4 of this Appendix will be performed.

Direct Award Tenure Forest Revenue Sharing Component

- 2.0 Subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts of British Columbia, a summary document will be prepared of Nuchatlaht First Nation's Forest License (A83327) forest revenue, defined as the total of stumpage payments received by the Crown for the previous BC Fiscal Year.
- 2.1 The Direct Award Forest Tenure Revenue Sharing Component will be calculated by multiplying 35 percent of the forest revenue as described in section 2.0 of this Appendix.

- 2.2 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 2.0 and 2.1 of this Appendix will be performed.

Forest Revenue Sharing Transition

- 3.0 The Parties agree that new methods to calculate the Revenue Sharing Contribution will be phased in over the next 3 years.
- 3.1 For each BC Fiscal Year that this Agreement is in effect, a portion of the Revenue Sharing Contribution is calculated by determining the total of the Traditional Territory Forest Revenue Sharing Component and the Direct Award Tenure Forest Revenue Sharing Component for that BC Fiscal Year (“the sum”) and applying the following percentages to that sum:
- 3.1.1 ; 2011/12 BC Fiscal Year: 50 percent
 - 3.1.2 2012/13 BC Fiscal Year: 80 percent; and
 - 3.1.3 2013/14 BC Fiscal Year: 100 percent.
- 3.2 For each BC Fiscal Year that this Agreement is in effect, the remaining portion of the Revenue Sharing Contribution is calculated by determining the value of the payments that were made by British Columbia to Nuchatlaht First Nation in any given full year under the *Nuchatlaht First Nation Forest Agreement* which expired on 1/14/2011 (“the Annual Amount”) and applying the following percentages to that Annual Amount:
- 3.2.1 2011/12 BC Fiscal Year: 59 percent;
 - 3.2.2 2012/13 BC Fiscal Year: 55 percent; and
 - 3.2.3 2013/14 BC Fiscal Year: 50 percent.
- 3.3 The Parties agree that if this Agreement is renewed in accordance with section 12.0 of this Agreement, or this Agreement expires in the 2014/2015 BC Fiscal Year, the Revenue Sharing Contribution will be the sum of:
- 3.3.1 the Traditional Territory Forest Revenue Sharing Component and the Direct Award Tenure Forest Revenue Sharing Component calculated in this Appendix.
