- 6.1.4 British Columbia retains the right at its sole discretion, such discretion to be exercised reasonably, to require an audit of expenditures made from the Payment Account to ensure that all such expenditures were made for appropriate purposes under this Agreement, such audit to be at the expense of the Tk'emlups te Secwepemc or its Designate.
- 6.1.5 The documents referred to in sections 6.1.1, 6.1.2, and 6.1.3 will be published by Tk'emlups te Secwepemc or its Designate in a manner

6.2 If Tk'emlups te Secwepemc requires funding ("capacity") to engage in consultation processes on forestry pursuant to this Agreement or a subsequent SEA or RA as referenced in section 4.4 up to \$35,000 annually of the Revenue Sharing Contribution will be used by Tk'emlups te Secwepemc for that capacity during the Term of this Agreement.

7.0 Security Deposits

7.1 In recognition of Tk'emlups te Secwepemc entering into this Agreement, British Columbia may choose not to request a silviculture deposit(s) pertaining to licence(s) entered into as a result of the invitation to apply under a Forest Tenure Opportunity Agreement entered into between Tk'emlups te Secwepemc (or a legal entity controlled by the Tk'emlups te Secwepemc) and British Columbia.

7.2 Tk'emlups te Secwepemc agrees that British Columbia may apply any payment that Tk'emlups te Secwepemc is entitled to receive under this Agreement, to a maximum of the amounts that British Columbia would have obtained in a silviculture deposit, in order to fully or partially satisfy any unfulfilled financial obligations of Tk'emlups te Secwepemc to British Columbia arising from a licence(s) entered into as a result of the invitation to apply under a Forest Tenure Opportunity Agreement entered into between Tk'emlups te Secwepemc (or a legal entity controlled by the Tk'emlups te Secwepemc) and British Columbia.

7.3 Prior to British Columbia applying any payment to satisfy unfulfilled Tk'emlups te Secwepemc financial obligations arising from a licence(s) in accordance with section 7.2, British Columbia will notify the Tk'emlups te Secwepemc of the unfulfilled financial obligation(s).

Upon making any such determination, British Columbia will provide notice to Tk'emlups te Secwepemc of the alleged non-compliance, and the Parties will then attempt to resolve their differences.

- 10.4 This Agreement will terminate prior to the end of the Term in any one of the following circumstances; 90 days' written notice of termination is given by one Party to the other; termination occurs in accordance with any of the provisions of section 10.0; or upon mutual agreement of the Parties. In the event of such early termination of this Agreement, the Revenue Sharing Contribution for the BC Fiscal Year in which termination becomes effective will be prorated to the termination date.

- 10.5 If a Party gives written notice of its intention to terminate this Agreement effective 90 days from the date of the notice, the Parties will, prior to the end of the 90-day period, meet and will attempt to resolve any issue that may have given rise to the termination notice.

On Operational and Administrative Decisions and Operational Plans.

In order to facilitate consultation with respect to Operational and Administrative Decisions and Operational Plans, the Parties have agreed to use the Matrix framework set out in section 1.10 of this Appendix ("section 1.10"), which allows the Parties to determine which Operational and Administrative Decisions and Operational Plans will require consultation, as well as the associated appropriate level of consultation for those decisions and plans.

- 1.1 British Columbia agrees to consult with Tk'emlups te Secwepemc in accordance with the applicable consultation level agreed to by the Parties under section 1.10 on Operational Plans, Operational Decisions, and Administrative Decisions that may potentially adversely impact Tk'emlups te Secwepemc's Aboriginal Interests within the Traditional Territory.
- 1.2 Tk'emlups te Secwepemc agrees to fully participate with British Columbia and/or Licensees or licence proponents, as set out in this Agreement and in accordance with the applicable level of consultation to which the Parties have agreed under section 1.10, in information sharing and/or consultation regarding proposed Operational Decisions, Administrative Decisions, and Operational Plans dealing with forest and range development within the Traditional Territory.
- 1.3 In this Appendix, "First Annual List" means a list of Operational and Administrative Decisions and Operational Plans, which may require consultation during the First Fiscal Year of the Term or part thereof in which the Effective Date occurs, that is provided to the Tk'emlups te Secwepemc by British Columbia in advance of the Parties entering into this Agreement.
- 1.4 Prior to entering into this Agreement, the Parties will agree on the applicable consultation levels for the decisions on the First Annual List, using the consultation levels described in section 1.10.
- 1.5 In this Appendix, "Annual List" means an annual list of Operational and Administrative Decisions and Operational Plans that may require consultation in a fiscal year of the Agreement in which those decisions are anticipated to be made, and that will be provided to the Tk'emlups te Secwepemc by British Columbia before March 31st of each year after the First Fiscal Year of the Term.
- 1.6 For fiscal years subsequent to the First Fiscal Year of the term, the Parties will meet annually on or before March 31st to discuss the Annual List and, in the case of decisions and plans for which the Parties have not already agreed to a consultation level described in section 1.10 in a preceding fiscal year, the Parties will agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans on the Annual List, in accordance with section 1.10.

- 1.7 When British Columbia becomes aware of proposed types of Operational or Administrative Decisions or Operational Plans not contained in the Annual List that will have effect within the Traditional Territory of Tk'emlups te Secwepemc during the current fiscal year, British Columbia will notify the Tk'emlups te Secwepemc of those new types of decisions or plans and the Parties will seek to agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans, in accordance with section 1.10.
- 1.8 In reviewing and responding to an Operational Decision, Administrative Decision, or Operational Plan submitted to them, Tk'emlups te Secwepemc will, unless otherwise agreed by the Parties, provide the party (i.e. British Columbia, a licensee or proponent) that supplied the proposed decision or plan to them, with all reasonably available information that will identify any potential impacts to their Aboriginal Interests that may occur as a result of proposed forest and/or range resource development activities pursuant to that Operational Decision, Administrative Decision or Operational Plan within the Traditional Territory. If the Tk'emlups te Secwepemc requires an extension of the time period set out in the consultation matrix in this appendix, the Tk'emlups te Secwepemc shall request an extension within 5 days of the expiry of any application time period and the request for the extension shall not be unreasonably withheld.
- 1.9 If no response is received from Tk'emlups te Secwepemc within the timeframe set out in section 1.10, then British Columbia may conclude that Tk'emlups te Secwepemc does not intend to respond or participate in the consultation process in respect of the Operational or Administrative Decision or Operational Plan and that a decision may proceed.
- 1.10 The Parties agree to the following description and intent of the consultation levels:

APPENDIX C

Revenue Sharing Contribution Methodology

Traditional Territory Forest Revenue Sharing Component

- 1.0 In each BC Fiscal Year that this Agreement is in effect, and subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts of British Columbia, a summary document will be prepared of the Cascades, Kamloops, 100 Mile House and Okanagan Shuswap Forest Districts' forest revenue, defined as the total of stumpage, waste and annual rent payments received by the Crown for the previous 2 BC Fiscal Years. An average amount over 2 years will be calculated for these four districts.
- 1.1 For the purposes of the summary document in section 1.0 of this Appendix, the stumpage payments from Tk'emlups te Secwepemc's eligible license will not be included in the calculations of forest revenue.
- 1.2 The amount of the forest revenue attributed to the Tk'emlups te Secwepemc's Traditional Territory will be calculated by determining the percent of Tk'emlups te Secwepemc's Traditional Territory that falls within the Timber Harvesting Land Base in the Cascades, Kamloops, 100 Mile House and Okanagan Shuswap Forest Districts, applied against the forest revenue described in section 1.0 of this Appendix. This calculation will prorate for overlapping territories of other First Nations.
- 1.3 The Traditional Territory Forest Revenue Sharing Component will be calculated by multiplying 3 percent of the forest revenue attributed to the Tk'emlups te Secwepemc as described in section 1.2 of this Appendix.
- 1.4 Where the calculation in section 1.3 of this Appendix is less than \$35,000, Tk'emlups te Secwepemc will receive a maximum of \$35,000 to provide capacity to participate in the consultation process in accordance with section 4.0 of this Agreement.
- 1.5 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 1.0 to 1.4 of this Appendix will be performed.

Direct Award Tenure Forest Revenue Sharing Component

- 2.0 Subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts of British Columbia, a summary document will be prepared of Tk'emlups te Secwepemc's eligible license's forest revenue, defined as the total of stumpage payments received by the Crown for the previous BC Fiscal Year.
- 2.1 The Direct Award Forest Tenure Revenue Sharing Component will be calculated by multiplying 35 percent of the forest revenue as described in section 2.0 of this Appendix.

- 2.2 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 2.0 and 2.1 of this Appendix will be performed.

Forest Revenue Sharing Transition

- 3.0 The Parties agree that new methods to calculate the Revenue Sharing Contribution will be phased in over the next 3 years.
- 3.1 For each BC Fiscal Year that this Agreement is in effect, a portion of the Revenue Sharing Contribution is calculated by determining the total of the Traditional Territory Forest Revenue Sharing Component and the Direct Award Tenure Forest Revenue Sharing Component for that BC Fiscal Year (“the sum”) and applying the following percentages to that sum:
- 3.1.1 2011/12 BC Fiscal Year: 50 percent
 - 3.1.2 2012/13 BC Fiscal Year: 80 percent; and
 - 3.1.3 2013/14 BC Fiscal Year: 100 percent.
- 3.2 For each BC Fiscal Year that this Agreement is in effect, the remaining portion of the Revenue Sharing Contribution is calculated by determining the value of the payments that were made by British Columbia to Tk’emlups te Secwepemc in any given full year under the *Kamloops Indian Band Forest and Range Interim Measures Agreement* which expired on March 24, 2010 (“the Annual Amount”) and applying the following percentages to that Annual Amount:
- 3.2.1 2011/12 BC Fiscal Year: 59 percent;
 - 3.2.2 2012/13 BC Fiscal Year: 55 percent; and
 - 3.2.3 2013/14 BC Fiscal Year: 50 percent.
- 3.3 The Parties agree that if this Agreement is renewed in accordance with section 12.0 of this Agreement, or this Agreement expires in the 2014/2015 BC Fiscal Year, the Revenue Sharing Contribution will be the sum of:
- 3.3.1 the Traditional Territory Forest Revenue Sharing Component and the Direct Award Tenure Forest Revenue Sharing Component calculated in this Appendix.
