- 5.3 T'eqt'aqtn'mux agrees that during the term of this Agreement, if the consultation process set out in this Agreement is followed, British Columbia has adequately consulted and has provided an accommodation with respect to potential infringements of T'eqt'aqtn'mux's Aboriginal Interests in the context of Operational Decisions and Administrative Decisions that British Columbia will make and any forest or range practices that may be carried out under an Operational Plan in the Traditional Territory.

This statement will outline the community priorities based on the First Fiscal Year Revenue Sharing Contribution.
 - 6.1.2 Before the end of each BC Fiscal Year, T'eqt'aqtn'mux or its Designate will update the statement of community priorities identified in section 6.1.1 based on the updated Revenue Sharing Contribution described in section 3.5.
 - 6.1.3 Within 90 days of the end of each BC Fiscal Year, T'eqt'aqtn'mux or its Designate will prepare an annual report, substantially in the form set out in Appendix F, identifying all expenditures made from the Payment Account since the date of the last such report (or, in the case of the first such report, since the Effective Date of this Agreement) and confirming that, aside from reasonable administrative expenses, all such expenditures were made for the purpose of accomplishing the purposes and objectives referred to in section 2.0.
 - 6.1.4 British Columbia retains the right at its sole discretion, such discretion to be exercised reasonably, to require an audit of expenditures made

from the Payment Account to ensure that all such expenditures were made for appropriate purposes under this Agreement, such audit to be at the expense of the T'eqt'aqtn'mux or its Designate.

- 6.1.5 The documents referred to in sections 6.1.1, 6.1.2, and 6.1.3 will be published by T'eqt'aqtn'mux or its Designate in a manner that can reasonably be expected to bring the information to the attention of its communities and the public.
- 6.1.6 The annual report referred to in section 6.1.3 will be provided to British Columbia within 120 days of the end of each BC Fiscal Year.
- 6.1.7 Notwithstanding the termination or expiry of this Agreement, T'eqt'aqtn'mux or its Designate will continue to comply with the provisions of section 6.1 until 90 days after it receives the last Revenue Sharing Contribution from British Columbia.
- 6.2 If T'eqt'aqtn'mux requires funding ("capacity") to engage in consultation processes on forest and range decisions, or with other provincial Ministries where T'eqt'aqtn'mux has entered into an SEA and/or RA with British Columbia, up to \$35,000 annually of the Revenue Sharing Contribution will be used by T'eqt'aqtn'mux for that capacity during the Term of this Agreement.

7.0 Security Deposits

- 7.1 In recognition of T'eqt'aqtn'mux entering into this Agreement, British Columbia may choose not to request a silviculture deposit(s) pertaining to licence(s) entered into as a result of the invitation to apply under a Forest Tenure Opportunity Agreement entered into between T'eqt'aqtn'mux (or a legal entity controlled by the T'eqt'aqtn'mux) and British Columbia.
- 7.2 T'eqt'aqtn'mux agrees that British Columbia may apply any payment that T'eqt'aqtn'mux is entitled to receive under this Agreement, to a maximum of the amounts that British Columbia would have obtained in a silviculture deposit, in order to fully or partially satisfy any unfulfilled financial obligations of T'eqt'aqtn'mux to British Columbia arising from a licence(s) entered into as a result of the invitation to apply under a Forest Tenure Opportunity Agreement entered into between T'eqt'aqtn'mux (or a legal entity controlled by the T'eqt'aqtn'mux) and British Columbia.
- 7.3 Prior to British Columbia applying any payment to satisfy unfulfilled T'eqt'aqtn'mux financial obligations arising from a licence(s) in accordance with section 7.2, British Columbia will notify the T'eqt'aqtn'mux of the unfulfilled financial obligation(s).

8.0 Stability for Land and Resource Use

- 8.1 T'eqt'aqtn'mux will respond immediately to any discussions sought by British Columbia in relation to any acts of intentional interference by members of T'eqt'aqtn'mux with provincially authorized forest and/or range

activities and will work co-operatively with British Columbia to assist in resolving any such matters.

9.0 Dispute Resolution

- 9.1 If a dispute arises between British Columbia and the T'eqt'aqtn'mux regarding the interpretation of a provision of this Agreement, the duly appointed representatives of the Parties will meet as soon as is practicable to attempt to resolve the dispute.
- 9.2 If the Parties are unable to resolve differences at the appropriate level, the interpretation issue will be raised to more senior levels of British Columbia and the T'eqt'aqtn'mux.
- 9.3 If the interpretation dispute cannot be resolved by the Parties directly, the Parties may choose other appropriate approaches to assist in reaching resolution of the interpretation issue.

10.0 Suspension and Termination

- 10.1 British Columbia may suspend the making of further Revenue Sharing Contributions under this Agreement if it determines, acting reasonably, that T'eqt'aqtn'mux is not fulfilling its obligations under sections 4.0 and 6.0 or sections 8.1 or 10.3 of this Agreement, or where the T'eqt'aqtn'mux has outstanding unfulfilled financial obligations to British Columbia arising from a licence(s) issued further to an agreement between the T'eqt'aqtn'mux and British Columbia. Upon making any such determination, British Columbia will provide notice to T'eqt'aqtn'mux of the alleged non-compliance, and the Parties will then attempt to resolve their differences.
- 10.2 If the alleged non-compliance by T'eqt'aqtn'mux is not resolved within 60 days of the notice provided in section 10.1, British Columbia will notify T'eqt'aqtn'mux that the alleged non-compliance remains unresolved and, without limiting the actions that may be taken by British Columbia, may terminate this Agreement.
- 10.3 If, during the term of this Agreement, T'eqt'aqtn'mux challenges or supports a challenge to an Administrative Decision and/or Operational Decision or an Operational Plan or activities carried out pursuant to those decisions or plans, by way of legal proceedings or otherwise, on the basis that, contrary to section 5.2, the Revenue Sharing Contribution provided for in section 3.0 of this Agreement does not provide an accommodation for impacts on T'eqt'aqtn'mux's Aboriginal Interests then, without limiting any actions that may be taken by British Columbia, the Revenue Sharing Contribution provided for in section 3.0 may be suspended or this Agreement may be terminated by British Columbia.
- 10.4 This Agreement will terminate prior to the end of the Term in any one of the following circumstances; 90 days' written notice of termination is given by one Party to the other; termination occurs in accordance with any of the

provisions of section 10.0; or upon mutual agreement of the Parties. In the event of such early termination of this Agreement, the Revenue Sharing Contribution for the BC Fiscal Year in which termination becomes effective will be prorated to the termination date.

- 10.5 If a Party gives written notice of its intention to terminate this Agreement effective 90 days from the date of the notice, the Parties will, prior to the end of the 90-day period, meet and will attempt to resolve any issue that may have given rise to the termination notice.

11.0 Term

12.0 Renewal of the Agreement

- 12.1 Prior to the expiry of the Term, if the terms and conditions of this Agreement are being met, British Columbia and T'eqt'aqtn'mux will, if each party has received such authorizations as it may require, begin negotiations for the renewal of this Agreement or for a new agreement.

Consultation

On Operational and Administrative Decisions and Operational Plans

In order to facilitate consultation with respect to Operational and Administrative Decisions and Operational Plans, the Parties have agreed to use the Matrix framework set out in section 1.10 of this Appendix ("section 1.10"), which allows the Parties to determine which Operational and Administrative Decisions and Operational Plans will require consultation, as well as the associated appropriate level of consultation for those decisions and plans.

- 1.1 British Columbia agrees to consult with T'eqt'aqtn'mux in accordance with the applicable consultation level agreed to by the Parties under section 1.10 on Operational Plans, Operational Decisions, and Administrative Decisions that may potentially adversely impact T'eqt'aqtn'mux's Aboriginal Interests within the Traditional Territory.
- 1.2 T'eqt'aqtn'mux agrees to fully participate with British Columbia and/or Licensees or licence proponents, as set out in this Agreement and in accordance with the applicable level of consultation to which the Parties have agreed under section 1.10, in information sharing and/or consultation regarding proposed Operational Decisions, Administrative Decisions, and Operational Plans dealing with forest and range development within the Traditional Territory.
- 1.3 In this Appendix, "First Annual List" means a list of Operational and Administrative Decisions and Operational Plans, which may require consultation during the First Fiscal Year of the Term or part thereof in which the Effective Date occurs, that is provided to the T'eqt'aqtn'mux by British Columbia in advance of the Parties entering into this Agreement.
- 1.4 Prior to entering into this Agreement, the Parties will agree on the applicable consultation levels for the decisions on the First Annual List, using the consultation levels described in section 1.10.
- 1.5 In this Appendix, "Annual List" means an annual list of Operational and Administrative Decisions and Operational Plans that may require consultation in a fiscal year of the Agreement in which those decisions are anticipated to be made, and that will be provided to the T'eqt'aqtn'mux by British Columbia before March 31st of each year after the First Fiscal Year of the Term.
- 1.6 For fiscal years subsequent to the First Fiscal Year of the term, the Parties will meet annually on or before March 31st to discuss the Annual List and, in the case of decisions and plans for which the Parties have not already agreed to a consultation level described in section 1.10 in a preceding fiscal year, the Parties will agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans on the Annual List, in accordance with section 1.10.

- 1.7 When British Columbia becomes aware of proposed types of Operational or Administrative Decisions or Operational Plans not contained in the Annual List that will have effect within the Traditional Territory of T'eqt'aqtn'mux during the current fiscal year, British Columbia will notify the T'eqt'aqtn'mux of those new types of decisions or plans and the Parties will seek to agree on the consultation levels that will be applicable to those Operational and Administrative Decisions and Operational Plans, in accordance with section 1.10.
- 1.8 In reviewing and responding to an Operational Decision, Administrative Decision, or Operational Plan submitted to them, T'eqt'aqtn'mux will, unless otherwise agreed by the Parties, provide the party (i.e. British Columbia, a licensee or proponent) that supplied the proposed decision or plan to them, with all reasonably available information that will identify any potential impacts to their Aboriginal Interests that may occur as a result of proposed forest and/or range resource development activities pursuant to that Operational Decision, Administrative Decision or Operational Plan within the Traditional Territory.
- 1.9 If no response is received from T'eqt'aqtn'mux within the timeframe set out in section 1.10, then British Columbia may conclude that T'eqt'aqtn'mux does not intend to respond or participate in the consultation process in respect of the Operational or Administrative Decision or Operational Plan and that a decision may proceed.
- 1.10 The Parties agree to the following description and intent of the consultation levels:

Level	Description	Intent
1. Information Sharing: prior to formal consultation process	Referral to T'eqt'aqtn'mux during planning to provide opportunity to incorporate Aboriginal Interests prior to submitting plan/request to Decision Maker.	Proponent or tenure holder engages directly with T'eqt'aqtn'mux, and provides summary of communications to British Columbia.
2. Available on Request	Type of notification whereby British Columbia informs T'eqt'aqtn'mux they will not be sending out information.	British Columbia notifies on an annual basis which decision(s) fall in this category. T'eqt'aqtn'mux can request more detail if they wish.

	comment.	calendar day consultation period determined by the Parties) to comment. Limited follow-up.
4. Expedited Consultation Process	Where there is an imminent threat to a resource value (e.g. mountain pine beetle spread control) an expedited consultation process is undertaken.	Intense but short timeline (about 10 calendar days). A justification for shortening the period would be given by describing the imminent threat. May require a meeting.
5. Normal Consultation	Follow on “normal” track for consultation guided by up-to-date consultation policy. Meetings to resolve issues where possible and make decision in a timely manner.	Intent to follow this course in most circumstances. Usually a 30 – 60 calendar day consultation period. May involve meaningful discussion of accommodation options where appropriate. British Columbia will notify T’eqt’aqtn’mux of the final decision where requested by the T’eqt’aqtn’mux.
6. Deep Consultation	Use reasonable effort to inform in an accessible manner and to engage in full discussions around the proposed decision. Make reasonable efforts to accommodate where necessary. Preliminary assessments may indicate a significant Aboriginal Interest and a significant impact to that interest.	Would involve meaningful discussion of suitable accommodation options and interim solutions where appropriate. May require extended timelines. British Columbia will provide the T’eqt’aqtn’mux with the final decision and rationale in writing.

- 1.11 The Parties may agree to adjust the consultation levels for specific circumstances where detailed Aboriginal Interest information is shared that would suggest a different consultation level.
- 1.12 T’eqt’aqtn’mux agrees that British Columbia is not obligated, unless requested by the T’eqt’aqtn’mux to inform the T’eqt’aqtn’mux of the Delegated Decision

Maker's decision for decisions on which the consultation level has been level three (3) or lower.

- 1.13 If the Parties cannot agree upon which consultation level in section 1.10 should apply to a particular or any Operational or Administrative Decision or Operational Plan, then British Columbia will consult with T'eqt'aqtn'mux on the basis of British Columbia's consultation procedures in effect at the time as well as the applicable case law respecting consultation obligations.

- 1.5 For each Fiscal Year that this Agreement is in effect, the calculations outlined in sections 1.0 to 1.4 of this Appendix will be performed.
