APPENDIX B

Consultation Process for Administrative and/or Operational Decisions and Operational Plans within Nak'azdli Whut'en Territory

- 1.1 British Columbia will consult with Nak'azdli Whut'en on proposed Administrative and/or Operational Decisions and Operational Plans that may potentially adversely impact Nak'azdli Whut'en's Aboriginal Interests within the Territory, in accordance with this Appendix B.
- 1.2 Nak'azdli Whut'en will fully participate in information sharing and/or consultation with British Columbia, Licensees or proponents regarding proposed Administrative and/or Operational Decisions or Operational Plans within the Territory in accordance with this Appendix B.
- 1.3 In order to facilitate consultation, the Parties will use section 1.10 of this Appendix to determine which proposed Administrative and/or Operational Decisions and Operational Plans will require consultation, as well as the appropriate level of consultation for those decisions and plans.
- 1.4 The level of consultation required for the types of Administrative and/or Operational Decisions and Operational Plans listed in Schedule 1 (the "List of Decisions") will be the level indicated in the column of Schedule 1 headed "Consultation Level", unless the Parties agree to a different consultation level under section 1.11 of this Appendix.
- 1.5 If on or before January 31st a Party requests that the List of Decisions or the consultation level for a type of decision or plan set out in it be revised for a subsequent BC Fiscal Year, the Parties will discuss that request and if the Parties agree to a revision, update the List of Decisions on or before March 31st of the current fiscal year.
- 1.6 If British Columbia becomes aware of proposed Administrative and/or Operational Decisions or Operational Plans not contained in the List of Decisions that will have effect within the Territory of Nak'azdli Whut'en during the current fiscal year, British Columbia will notify the Nak'azdli Whut'en of those decisions or plans and the Parties will, with reference to the criteria set out in the Matrix, seek to agree on the consultation levels that will be applicable to those decisions or plans.
- 1.7 If the Parties cannot agree upon which consultation level in section 1.10 of this Appendix should apply to a particular or any Operational or Administrative Decision or Operational Plan, then British Columbia will consult with Nak'azdli Whut'en on the basis of British Columbia's consultation procedures in effect at the time as well as the applicable case law respecting consultation obligations.
- 1.8 In reviewing and responding to a proposed Administrative and/or Operational Decision or Operational Plan submitted to them, Nak'azdli Whut'en will, unless otherwise agreed by the Parties, provide the party (i.e. British Columbia, Licensee or proponent) that supplied the proposed decision or plan to them, with

all reasonably available information that will identify any potential adverse impacts to their Aboriginal Interests that may occur as a result of the proposed Administrative and/or Operational Decision or Operational Plan within the Territory or forest or range resource development practices that may be carried out pursuant to that decision or plan.

1.9 If a proposed Administrative and/or Operational Decision or Operational Plan is submitted to Nak’azdli Whut’en and no response is received within the consultation period set out in section 1.10 of this Appendix for the consultation level applicable to the proposed Administrative and/or Operational Decision or Operational Plan, then British Columbia may proceed to make a decision regarding the decision or plan.

1.10 The Parties agree that:

- (a) as set out in the table below (the “Matrix”) there will be six (6) potential levels of consultation for a proposed Administrative and/or Operational Decision or Operational Plan;
- (b) subject to the List of Decisions, the appropriate consultation level for a proposed Administrative and/or Operational Decision or Operational Plan will be determined by reference to the criteria set out in the Matrix; and
- (c) the consultation period applicable to a consultation level is the period referred to in the Matrix, the List of Decisions or as otherwise agreed to by the Parties, whichever period is the longest.

| Level | Description | Intent |
|---|--|--|
| 1. Information Sharing: prior to formal consultation process | Referral to Nak’azdli Whut’en during planning to provide opportunity to incorporate Aboriginal Interests prior to submitting plan/request to Delegated Decision Maker. | Proponent or Licensee engages directly with Nak’azdli Whut’en, and provides summary of communications to British Columbia. |
| 2. Available on Request | Type of notification whereby British Columbia informs Nak’azdli Whut’en they will not be sending out information. | British Columbia notifies on an annual basis which decision(s) fall in this category. Nak’azdli Whut’en can request more detail if they wish. |
| 3. Notification | Notify in writing Nak’azdli Whut’en about an upcoming decision and provide overview information. Would be an opportunity for comment. | British Columbia provides Nak’azdli Whut’en base level information and a short reasonable time (21-30 calendar day consultation period determined by the Parties) to comment. Limited follow-up. |

| Level | Description | Intent |
|--|---|--|
| 4. Expedited Consultation Process | Where there is an imminent threat to a resource value (e.g. mountain pine beetle spread control) an expedited consultation process is undertaken. | Intense but short timeline (about 10 calendar days). A justification for shortening the period would be given by describing the imminent threat. May require a meeting. |
| 5. Normal Consultation | Follow on “normal” track for consultation guided by up-to-date consultation policy. Meetings to resolve issues where possible and make decision in a timely manner. | Intent to follow this course in most circumstances. Usually a 30 – 60 calendar day consultation period. May involve meaningful discussion of accommodation options where appropriate. British Columbia will notify Nak’azdli Whut’en of the final decision where requested by the Nak’azdli Whut’en. |
| 6. Deep Consultation | Use reasonable effort to inform in an accessible manner and to engage in full discussions around the proposed decision. Make reasonable efforts to accommodate where necessary. Preliminary assessments may indicate a significant Aboriginal Interest and a significant impact to that interest. | Would involve meaningful discussion of suitable accommodation options and interim solutions where appropriate. May require extended timelines. British Columbia will provide the Nak’azdli Whut’en with the final decision and rationale in writing. |

- 1.11 The Parties may agree to increase or decrease the consultation level for a specific proposed Administrative and/or Operational Decision or Operational Plan where detailed Aboriginal Interest information is provided that indicates a different consultation level is appropriate.
- 1.12 Unless requested by the Nak’azdli Whut’en, British Columbia is not obligated to inform the Nak’azdli Whut’en of the Delegated Decision Maker’s decision where the consultation level in respect of the proposed decision was level three (3) or lower.

APPENDIX C

Revenue Sharing Contribution Methodology

Territory Forest Revenue Sharing Component

- 1.0 In each BC Fiscal Year that this Agreement is in effect, and subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts, a summary document will be prepared of the Fort St James, Mackenzie, Vanderhoof and Prince George Districts Forest revenue, defined as the total of stumpage, waste and annual rent payments received by the Crown for the previous 2 BC Fiscal Years. An average amount over 2 years will be calculated for the Fort St James, Mackenzie, Vanderhoof and Prince George Forest Districts.
- 1.1 For the purposes of the summary document in section 1.0 of this Appendix, the stumpage payments from Eligible Volume in Nak'azdli Whut'en's Forest License (if applicable) will not be included in the calculations of forest revenue.
- 1.2 The amount of the forest revenue attributed to the Nak'azdli Whut'en's Territory will be calculated by determining the percent of Nak'azdli Whut'en's Territory that falls within the Timber Harvesting Land Base in the Fort St James, Mackenzie, Vanderhoof and Prince George Forest Districts, applied against the forest revenue described in section 1.0 of this Appendix. This calculation will prorate for overlapping territories of other First Nations.
- 1.3 The Territory Forest Revenue Sharing Component will be calculated by multiplying 8 percent of non BC Timber Sales forest revenue attributed to the Nak'azdli Whut'en and 11 percent of BC Timber Sales forest revenue, as described in section 1.2 of this Appendix.
- 1.4 If Nak'azdli Whut'en is not receiving capacity funding for forestry consultation through a SEA or RA, then it will receive \$35,000 or the amount calculated in accordance with section 1.3, whichever is greater, which may be used by Nak'azdli Whut'en as capacity funding to participate in the consultation process in accordance with section 6.0 of this Agreement.
- 1.5 For each BC Fiscal Year that this Agreement is in effect, the calculations outlined in sections 1.0 to 1.4 of this Appendix will be performed.

Direct Award Tenure Forest Revenue Sharing Component

- 2.0 Subsequent to the release by the Minister of Finance of the previous BC Fiscal Year's public accounts, a summary document will be prepared detailing of Nak'azdli Whut'en's Forest License (if applicable) forest revenue, defined as the total of stumpage payments received by the Crown for the previous BC Fiscal Year from Eligible Volume within the Forest Licence.

- 2.1 The Direct Award Forest Tenure Revenue Sharing Component will be calculated by multiplying 35 percent of the forest revenue as described in section 2.0 of this Appendix.
- 2.2 For each Fiscal Year that this Agreement is in effect, the calculations outlined in sections 2.0 and 2.1 of this Appendix will be performed.

Forest Revenue Sharing Transition

- 3.1 For each BC Fiscal Year that this Agreement is in effect, a portion of the Revenue Sharing Contribution is calculated by adding the total of the Territory Forest Revenue Sharing Component to the Direct Award Tenure Forest Revenue Sharing Component for that BC Fiscal Year.
- 3.2 For each BC Fiscal Year that this Agreement is in effect, the remaining portion of the Revenue Sharing Contribution is calculated by determining the value of the payments that were made by British Columbia to Nak'azdli Whut'en in any given full year under the Nak'azdli Whut'en *Forest and Range Opportunity Agreement* ("the Annual Amount") and applying the following percentages to that Annual Amount:
 - 3.2.1 2023/24 BC Fiscal Year 40 percent;
 - 3.2.2 2024/25 BC Fiscal Year 40 percent
 - 3.2.3 2025/26 BC Fiscal Year 40 percent
- 3.3 Notwithstanding section 3.2 of this Appendix, if the Revenue Sharing Transition Calculation for those BC Fiscal years under section 3.1 provides:
 - (a) an amount calculated under sections 1.3 and 2.1 of this Appendix that is equal to or greater than the annual payments received under the *Nak'azdli Whut'en Forest and Range Opportunity Agreement*, then Nak'azdli Whut'en will receive the annual payments described by the Revenue Sharing Calculation in section 3.1 for those BC Fiscal Years; or
 - (b) an amount calculated under the Revenue Sharing Transition Calculations in sections 3.1 and 3.2 of this Appendix that is greater than the annual payments received under the *Nak'azdli Whut'en Forest and Range Opportunity Agreement*, then Nak'azdli Whut'en will receive an annual payment for those BC fiscal Years that is equal to the annual payment received under the *Nak'azdli Whut'en Forest and Range Agreement*.
