

**ELECTRONIC PROJECT INFORMATION CENTRE
POSTING POLICY OF THE CHIEF EXECUTIVE ASSESSMENT OFFICER
UNDER SECTION 40 OF
THE *ENVIRONMENTAL ASSESSMENT ACT* S.B.C. 2018 c. 51**

Pursuant to Section 40(2) of the *Environmental Assessment Act*,

1. In addition to the publication requirements set out in the *Environmental Assessment Act*, the following must be posted to the Electronic Project Information Centre:
 1. Project Notification submitted under section 10(1)
 2. Notice of Chief Executive Assessment Officer's decision under section 10(4)
 3. Reasons for Minister's decision on an application for designation under section 11(9)
 4. Minister's designation order under section 11(5)a
 5. Initial Project Description and Engagement plan approved under section 13(3)(a), including any application for an Exemption Order included as part of an Initial Project Description
 6. Notice provided under section 13(5)
 7. Detailed project description submitted under section 15(1)
 8. Notice provided under section 16(2)(a)
 9. Referral material under section 16(4) or section 16(5) including:
 - a. Report
 - b. Notification, if any, by a participating Indigenous nation of consent or lack of consent
 - c. Information, if any, respecting an arrangement reached with a participating Indigenous nation
 10. Order under section 17
 11. Notice provided under section 27(2)(b)
 12. Revised application accepted under section 27(4)
 13. Any supplementary information in final form filed by the proponent at the request of the Chief Executive Assessment Officer for the purposes of completing the assessment
 14. Referral materials under 29(2), including
 - a. Final assessment report and environmental assessment certificate, with certificate conditions and project description
 - b. Recommendations respecting whether the project is consistent with promotion of sustainability
 - c. Recommendations respecting matters referred to in section 25
 - d. Recommendation respecting the duration of the EAC
 - e. Reasons for the recommendations
 - f. Notification, if any, by a participating Indigenous nation of consent or lack of consent
 - g. Information, if any, respecting an arrangement reached with a participating Indigenous nation
 15. Ministers decision under section 29(4)
 16. Reports under section 30
 17. Application under section 31(2)
 18. Decision under section 31(4)
 19. Substantial start determination under section 31(6) or 31(7)
 20. Application under section 32(1)
 21. Notice under section 32(4)

22. Amendment under section 32(5)
 23. Application and transfer order under section 33(1)
 24. Any public notice given during an assessment
 25. Any order made under the Act by the Chief Executive Assessment Officer or the Minister
 26. Comments in respect of documents that are the subject of a formal public comment period, that are received by the Chief Executive Assessment Officer during the formal public comment for that document
 27. Comments received by the Chief Executive Assessment Officer from the proponent, in response to comments referred to in subsection (26)
 28. If a condition of an environmental assessment certificate requires that the proponent report on its compliance with the conditions of the certificate, reports submitted for that purpose to the Chief Executive Assessment Officer by the proponent.
 29. The time during which the records must be made available are:
 - a. for a document referred to subsection (9) or (10), within 30 days after the Chief Executive Assessment Officer submits a referral to the Minister under section 16(2) of the Act
 - b. for a document referred to in subsection (14) or (15) of this order, within 30 days after the Chief Executive Assessment Officer submits a referral to the Ministers under section 29(1) of the Act
 - c. for any other document referred, within 7 days after the Chief Executive Assessment Officer receives or approves it.
2. Public notice means notice of a formal public comment period, open house, or public meeting and must be provided:
1. for public comment periods specified in section 23, at least 7 days before the start of a public comment period or the date on which an open house or public meeting is scheduled
 2. for any other public comment period, in the time required by the Chief Executive Assessment Officer
 3. in the form of newspaper advertisement, open letters or any other manner satisfactory to the Chief Executive Assessment Officer

Kevin Jardine
Chief Executive Assessment Officer
Environmental Assessment Office
