Wildlife Act of British Columbia
Possess Controlled Alien Species Permit Application
for Commercial Filming

Please complete all sections of this form that are relevant to your situation. Type or print legibly. Attach additional sheets as needed.

For possession of species individuals of Controlled Alien Species (“CAS”) for the film industry (see definition below). Permits are only required for live specimens (at any developmental stage (e.g. egg, embryo)). Do not use this Application form for any other permits regarding CAS or for wildlife species.

Please refer to the FrontCounter BC website for the appropriate application form instead.

Film Industry
Organizations that possess, for the purpose of commercial filming, CAS that normally reside in B.C.

Commercial filming means capturing images on film, videotape, disk or by others means undertaken with the intent of monetary return or for use as public educational, entertainment, promotional, or advertising material.

APPLICANT

Organization Name: ________________________________________________________________________________
Incorporation/Registry #: _____________________________________________________________________________
Contact Name: ____________________________________________________________________________________
Street or PO Box: __________________________________________________________________________________
City or Town: ________________________ Postal Code: ___________ E-mail: ________________________________
Phone (day): ________________________ Fax: _____________________

PART A: Details of CAS (to be completed by ALL applicants)

SECTION 1:

Location(s) where CAS individual(s) is to be housed (if different from address above):

Each CAS individual was in B.C. on March 16, 2009   Yes ☐   No* ☐

*The director of wildlife may authorize a person to possess a species individual of a CAS even though it was not in B.C. on March 16, 2009, but only if satisfied that special circumstances exist. If the CAS was not in B.C. on March 16, 2009, please explain in detail why the director should be satisfied that special circumstances exist. If necessary, please use a separate sheet of paper.

________________________________________________________________________________________________
________________________________________________________________________________________________
________________________________________________________________________________________________

SECTION 2:

List each CAS individual. Please provide a recent (taken within the past 6 months) photograph. If necessary, please use a separate sheet of paper. If the CAS individual has a microchip, please indicate the microchip information.

1. COMMON NAME* ___________________ LATIN NAME** ___________________ M/F AGE IDENTIFYING MARK (E.g. band #, tattoo, microchip)

2. COMMON NAME* ___________________ LATIN NAME** ___________________ M/F AGE IDENTIFYING MARK (E.g. band #, tattoo, microchip)

For further questions regarding this application, call 778-698-9229 or visit www.frontcounterbc.ca

* e.g. Tiger ** e.g. Panthera tigris

PART B: Filming details (to be completed by ALL applicants)

Are you proposing to use all of the CAS for commercial filming? Yes ☐ No ☐

If no, please provide a list of the CAS individual(s) not used for commercial filming and what it is used for.

_______________________________________________________________________________
_______________________________________________________________________________

CAS details

Please provide details of each CAS individual (as indicated in Part A – Section 2 of this application) that is used for commercial filming purposes. If necessary, please use a separate sheet of paper.

Is the CAS individual in Part A – Section 2, listed as item 1 used for commercial filming? No ☐ Yes ☐

If yes, on average, how many times a year do you provide this CAS individual for commercial filming? __________

Have you taken this CAS individual outside of B.C. for commercial filming? No ☐ Yes ☐

If yes, on average, how many times a year do you take this CAS individual outside of B.C. for commercial filming? __________

Is the CAS individual in Part A – Section 2, listed as item 2 used for commercial filming? No ☐ Yes ☐

If yes, on average, how many times a year do you provide this CAS individual for commercial filming? __________

Have you taken this CAS individual outside of B.C. for commercial filming? No ☐ Yes ☐

If yes, on average, how many times a year do you take this CAS individual outside of B.C. for commercial filming? __________

Is the CAS individual in Part A – Section 2, listed as item 3 used for commercial filming? No ☐ Yes ☐

If yes, on average, how many times a year do you provide this CAS individual for commercial filming? __________

Have you taken this CAS individual outside of B.C. for commercial filming? No ☐ Yes ☐

If yes, on average, how many times a year do you take this CAS individual outside of B.C. for commercial filming? __________
Is the CAS individual in Part A – Section 2, listed as item 4 used for the film industry?  No ☐  Yes ☐

If yes, on average, how many times a year do you provide this CAS individual for commercial filming?  ___________

Have you taken this CAS individual outside of B.C. for commercial filming?  No ☐  Yes ☐

If yes, on average, how many times a year do you take this CAS individual outside of B.C. for commercial filming?  ___________

Is the CAS individual in Part A – Section 2, listed as item 5 used for the film industry?  No ☐  Yes ☐

If yes, on average, how many times a year do you provide this CAS individual for commercial filming?  ___________

Have you taken this CAS individual outside of B.C. for commercial filming?  No ☐  Yes ☐

If yes, on average, how many times a year do you take this CAS individual outside of B.C. for commercial filming?  ___________

**Work History**

Please provide a history of the CAS individual(s) that you provided for commercial filming over the past 5 years. Use additional sheets as required.

CAS individual(s) provided:  __________________________________________________________________________

Production company:  __________________________________________________________________________

Phone number of production company:  _________________________

Type of production (i.e. feature film, TV series, commercial):  ____________________________________________

Location of production:  _____________________________________________________________________________

How many days was the CAS individual(s) used on the above production:  ____________________________________

Name of animal wrangler (if different from applicant):  _________________________________________________

Teamsters Union # of animal wrangler (if applicable):  ________________

PART C: Shipping or transportation

SECTION 2:

Are you seeking to ship or transport all of the CAS individuals? Yes ☐ No ☐

If you are seeking to ship or transport only some of the CAS individuals, please list the ones you wish to ship or transport.

________________________________________________________

Are you seeking authorization to ship or transport the CAS individuals to a licensed veterinarian in B.C.? Yes ☐ No ☐

If you are seeking a permit to ship or transport the CAS individuals other than to a licensed veterinarian within B.C., between which locations do you wish to ship or transport them?

________________________________________________________

PART D:

Applicant should provide detailed information regarding the enclosure(s) in which the CAS individuals will be housed. Photographs showing critical details of the CAS enclosure(s) are also required. See Appendix 1 for the CAS detailed enclosure description form.

Applicant should complete a public safety plan that explains the measures they will take to ensure that public safety will be protected. See Appendix 2 for the public safety plan form.

Applicant should complete a detailed CAS animal welfare plan that explains the measures they will take to ensure the health and welfare of the CAS individuals. See Appendix 3 for the CAS animal welfare plan form.

Applicant should provide proof of $2 million in public liability and property damage insurance. See Appendix 4 for the certificate of insurance.

NOTE: The applicant is unlikely to receive a permit if the applicant does not provide a public safety plan, an animal welfare plan, a detailed description of all CAS enclosures with photographs, and proof of $2 million in public liability and property damage insurance.
Wildlife Act of British Columbia
Possess Controlled Alien Species Permit Application
for Commercial Filming

Please complete all sections of this form that are relevant to your situation. Type or print legibly. Attach additional sheets as needed.

IMPORTANT: SUPPORTING DOCUMENTATION TO BE INCLUDED WITH PERMIT APPLICATION:

☐ PHOTOGRAPH(S) OF EACH CAS INDIVIDUAL
☐ DETAILED ENCLOSURE DESCRIPTION (APPENDIX 1)
☐ PHOTOGRAPHS OF CAS ENCLOSURE(S)
☐ PUBLIC SAFETY PLAN (APPENDIX 2)
☐ ANIMAL WELFARE PLAN (APPENDIX 3)
☐ CERTIFICATE OF INSURANCE (APPENDIX 4)

The information required by this form and any documents you provide with it are collected under the authority of the Wildlife Act in accordance with the collection, use and disclosure provisions of the Freedom of Information and Protection of Privacy Act to process your permit application under the Wildlife Act. This information will be used to verify your eligibility for the permit you are seeking and for other purposes related to the administration of the Wildlife Act and may involve review with other bodies (your personal information will not be disclosed in this process). However, your personal information will be disclosed to the BCSPCA to determine infractions or pending charges under the Prevention of Cruelty to Animals Act. The SPCA is bound by the privacy provisions of the Personal Information Protection Act. If you have any questions about the collection or use of this information, contact the Director of Wildlife.

ACKNOWLEDGEMENT:

I represent that the information provided in this application is true.

______________________________________________   _____________________________________________
Signature of Applicant Date of Application

It is an offence to knowingly make a false statement in order to obtain a permit. Violations may result in prosecution under the Wildlife Act, refusal of future permit requests or both. Any permit obtained knowingly using false information is void.

Please allow a minimum of 60 working days for processing. Incomplete applications may delay processing time for a permit.

Resubmitted applications are processed in resubmitted date order.

PLEASE FORWARD MY PERMIT TO:

Address: (as above) ☐: or
Mail to: ____________________________________________

or Fax: ___________________________________________ or E-mail: ________________________________
(please your e-mail address or location of Government Agent/FrontCounter BC office to be picked up at)

Please send completed application and any supporting documents to the Wildlife and Habitat Branch at one of the following:

By mail: PO Box 9391 STN PROV GOVT, Victoria, BC  V8W 9M8
By courier: 4th Floor, 2975 Jutland Road, Victoria, BC  V8W 9M8
By fax: 250-387-968
By email: ControlledAlienSpecies@gov.bc.ca

LEGISLATION
Below is a non-exhaustive list of provisions under the Wildlife Act Controlled Alien Species Regulations that are relevant to this permit. It is the permit holder’s responsibility to be aware of any provisions under the Act or regulations that may apply to this permit.

Definitions
1 (1) In this regulation:

"Act" means the Wildlife Act;

"prohibited species individual" means any of the following:
(a) a single live member of a controlled alien species designated in Schedule 1, at any developmental stage;
(b) a single live member of a controlled alien species designated in section 1 (1) or (2) of Schedule 2 that is 3 metres or more in length when measured from the front of the snout to the tip of the tail while the animal is fully extended;
(c) a single live member of a controlled alien species designated in section 1 (3) of Schedule 2 that is 2 metres or more in length when measured from the front of the snout to the tip of the tail while the animal is fully extended;

“restricted species individual” means a single live member of a controlled alien species designated in Schedule 2, at any developmental stage, but does not include a prohibited species individual;

(2) In Schedules 1 and 2, if a reference to a species is followed by italicized text in square brackets that is or purports to be descriptive of the species, the italicized text in square brackets is not part of this regulation and is to be considered to have been added editorially for convenience of reference only.

Designation of species as controlled alien species
2 For the purposes of paragraph (a) of the definition of “controlled alien species” in section 1 (1) of the Act, the species listed in Schedules 1 to 4 are designated as controlled alien species.

Possession
3 A person must not possess a prohibited species individual unless the person holds a permit authorizing the possession of that prohibited species individual.

Breeding
4 (1) Subject to subsection (2), a person who possesses a prohibited species individual must prevent the prohibited species individual from breeding.

(2) A person who possesses a prohibited species individual may allow the prohibited species individual to breed if

(a) the person
(i) operates an accredited zoo or aquarium,
(ii) is a certified educational institution, or
(iii) is a certified research institution,
(b) the person holds a permit authorizing the person to allow that prohibited species individual to breed, and
(c) the breeding is in accordance with a management plan approved by a regional manager.

Release prohibited
5 A person must not release a restricted species individual or a prohibited species individual or allow a restricted species individual or a prohibited species individual to be released, or to escape.

Shipping or transportation
5.1 A person must not ship or transport in British Columbia a prohibited species individual unless the person holds a permit authorizing the shipping or transportation of the prohibited species individual.

Offences
6 (1) A person who contravenes any of the following sections commits an offence:

(a) section 3;
(b) section 4 (1);
(c) section 5;
(d) section 5.1.

(2) An offence under subsection (1) (b) or (c) is prescribed as an offence for the purposes of section 84 (1) (a) (ii) of the Act.

(3) An offence under subsection (1) (a) is prescribed as an offence for the purposes of section 84 (1) (b) (ii) of the Act.
Schedule 1

1 Mammoths of the following species:
   (a) all species of the order *Primate* [monkeys, gorillas and chimpanzees] except humans;
   (b) all species of the order *Proboscidea* [elephants];
   (c) all species of the family *Canidae* [dingos, jackals and raccoon-dogs], except the following:
       (i) *Alopex lagopus* [arctic fox];
       (ii) *Canis latrans* [coyote] that are native species;
       (iii) *Canis lupus* [wolf] that are native species;
       (iv) *Canis lupus familiaris* [domestic dog];
       (v) *Urocyon cinereoargenteus* [grey fox];
       (vi) *Vulpes macrotis* [kit fox];
       (vii) *Vulpes vulpes* [red fox];
   (d) Repealed
   (e) all species of the family *Hippopotamidae* [hippopotamus];
   (f) all species of the family *Hyaenidae* [hyenas and aardwolves];
   (g) all species of the family *Rhinocerotidae* [rhinoceros];
   (h) all species of the family *Ursidae* [bears], except the following:
       (i) *Ursus americanus* [black bear];
       (ii) *Ursus arctos* [grizzly bear];
   (i) all species of the subfamily *Pantherinae* [big cats such as lions, tigers and panthers];
   (i.1) all species of the genus *Giraffa* [giraffes];
   (j) *Acinonyx jubatus* [cheetah];
   (k) *Bos frontalis* [gaur];
   (l) *Lynx lynx* [Eurasian lynx];
   (m) *Lynx pardinus* [Iberian lynx];
   (n) *Syncerus caffer* [African buffalo].

2 Birds of the following species:
   (a) all species of the genus *Casuarius* [cassowaries].

3 Amphibians of the following species:
   (a) *Phyllobates aurotaenia* [kokoe poison arrow frog];
   (b) *Phyllobates bicolor* [two-toned poison arrow frog];
   (c) *Phyllobates terribilis* [golden poison arrow frog].

4 (1) Reptiles of the following species:
   (a) all species of the order *Crocodilia* [alligators, crocodiles and caimans];
   (a.1) all species of the family *Atractaspididae* [mole vipers, stiletto snakes and burrowing asps];
   (b) Repealed
   (c) all species of the family *Crotalidae* [pit vipers] except *Crotalus oreganus* [western rattlesnake];
   (d) all species of the family *Elapidae* [death adders, cobras, kraits and mambas];
   (e) all species of the family *Helodermatidae* [gila monsters and beaded lizards].
(e.1) all species of the family Hydrophiidae [sea snakes and kraits];

(f) Repealed

(g) Repealed

(h) all species of the family Viperidae [vipers].

(i) to (n) Repealed

(2) Reptiles of the following species of the family Boidae:

(a) all species of the genus Eunectes [anacondas];

(b) Epicrates angulifer [Cuban boa].

(3) Reptiles of the following species of the family Colubridae [venomous snakes]:

(a) all species of the genus Boiga [cat and mangrove snakes];

(b) all species of the genus Dispholidus [boomslang snakes];

(c) all species of the genus Elapomorphus [diadem and lizard-eating snakes];

(d) all species of the genus Hydrodynastes [false water cobras];

(e) all species of the genus Leptophis [parrot snakes];

(f) all species of the genus Phalotris [Argentinean black-headed snakes];

(g) all species of the genus Philodryas [green racers];

(h) all species of the genus Ptychophis [fanged water snakes];

(i) all species of the genus Rhabdophis [keelback snakes];

(j) all species of the genus Tachymenis [Boulenger's and Chilean slender snakes];

(k) all species of the genus Thelotornis [twig snakes];

(l) all species of the genus Xenodon [false fer-de-lance].

(4) Reptiles of the following species of the family Pythonidae:

(a) Morelia amethistina [amethystine python];

(b) Morelia boeleni [Boelen's python];

(c) Morelia clastolepis [Seram scrub python];

(d) Morelia kinghorni [Australian scrub python];

(e) Morelia oenpelliensis [Oenpelli python];

(e.1) Python bivittatus [Burmese python];

(f) Python molurus [Indian python];

(g) Python natalensis [South African rock python];

(h) Python reticulatus [reticulated python];

(i) Python sebae [African rock python].

(5) Reptiles of the following species of the family Varanidae:

(a) Varanus bengalensis [Bengal monitor and clouded monitor];

(b) Varanus giganteus [perentie];

(c) Varanus komodoensis [komodo dragon];

(d) Varanus niloticus [Nile monitor and water leguaan];

(e) Varanus salvadorii [Salvadori's monitor and crocodile monitor];

(f) Varanus salvator [Asiatic water monitor and water monitor];

(g) Varanus varius [lace goanna].
Schedule 2

1  (1) Reptiles of the following species of the family Boiidae:
   
   (a) Acrantophis madagascariensis [Madagascan ground boa];
   
   (b) Boa constrictor [boa constrictor].

(2) Reptiles of the following species of the family Pythonidae:

   (a) Apodora papuana [Papuan python];
   
   (b) Aspidites melanocephalus [black-headed python];
   
   (c) Aspidites ramsayi [woma];
   
   (d) Liasis fuscus [Australian brown python];
   
   (e) Liasis mackloti [water python];
   
   (f) Liasis olivaceus [Australian olive python];
   
   (g) Morelia spilota [carpet python].

(3) Reptiles of the family Varanidae, other than reptiles of the species listed in section 4 (5) of Schedule 1.

***********************************************************************************************************************************************

This excerpt from the Permit Regulation, made under the Wildlife Act is relevant:

**Director’s permits**

4 The director may issue a permit in accordance with this regulation on the terms and for the period he or she specifies,

   . . .

   (f) authorizing a person to possess a species individual of a controlled alien species if

       (i) the species individual was in British Columbia on March 16, 2009,

       (ii) the person operates a zoo or is an educational or research institution, or

       (iii) the director is satisfied that special circumstances exist,

   (g) authorizing a person who possesses a species individual of a controlled alien species and who operates a zoo or is an educational or research institution to allow that species individual to breed, or

   (h) authorizing a person to ship or transport a species individual of a controlled alien species in British Columbia.

**Restrictions on issuing permits generally**

5 (1) Before issuing a permit under section 2, 3 or 4 the regional manager or the director, as applicable, must be satisfied

   (a) that the applicant meets the specific requirements, if any, for the permit as set out in this regulation, and

   (b) that issuing the permit is not contrary to the proper management of wildlife resources in British Columbia.

(2) A permit must not be issued to a person

   (a) who is under 10 years of age, or

   (b) who is under 19 years of age unless a parent or guardian of the person has consented in writing to the application.

(3) Despite subsection (2), a permit under section 4 (f) to (h) must not be issued to a person who is under 19 years of age.
APPENDIX 1

CONTROLLED ALIEN SPECIES
DETAILED ENCLOSURE DESCRIPTION

Please complete a Detailed Enclosure Description for each type of CAS enclosure. Please provide photographs showing critical details of the enclosure(s) to support your answers (see checklist on the permit application).

This plan is for the following CAS ___________________________

Common Name - e.g. Tiger

1. What is the length of the enclosure?

__________________________________________________________________________________________

__________________________________________________________________________________________

__________________________________________________________________________________________

2. What is the height of the enclosure?

__________________________________________________________________________________________

__________________________________________________________________________________________

__________________________________________________________________________________________

3. What is the width of the enclosure?

__________________________________________________________________________________________

__________________________________________________________________________________________

__________________________________________________________________________________________

4. What is the enclosure made of (i.e. a glass aquarium/terrarium, a fenced in area, etc)? Please be specific for each surface, for example, if wire is used for a side of a cage, what gauge is it?

__________________________________________________________________________________________

__________________________________________________________________________________________

__________________________________________________________________________________________

5. Is there an indoor and outdoor component to the enclosure? Please explain.

__________________________________________________________________________________________

__________________________________________________________________________________________

__________________________________________________________________________________________
6. Is the enclosure padlocked? If no, please explain why.

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

7. Is the enclosure double-walled? If no, please explain why.

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

8. Is the entrance double-doored? If no, please explain why.

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

9. Is there a roof to the enclosure? If yes, explain what it is made of. If no, explain why.

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

10. If applicable, is there a den area where the CAS can sleep and/or hide? If yes, please provide detailed information about the size of this area.

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

11. What is the floor of the enclosure made of? For example, is the floor of the enclosure made of cement, dirt, rocks, etc.

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

12. Is there a secure area to place the CAS while the enclosure is being cleaned? Please explain details of how the CAS is moved and what the security measures are for the time the animal is in the area.

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
13. Describe natural or unnatural fixtures in the enclosure (pool, rocks, trees, branches, toys etc.) and their maintenance.

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
APPENDIX 2

CONTROLLED ALIEN SPECIES
PUBLIC SAFETY PLAN

Please complete a Public Safety Plan for each type of CAS. The purpose of the Public Safety Plan is to ensure that people are safe from the CAS.

This plan is for the following CAS ____________________________

Common Name - e.g. Tiger

1. With whom, and how often does the CAS come into contact with people (including handler)?

________________________________________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________

2. How are you ensuring the safety of those that come into contact with the CAS?

________________________________________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________

3. How will you prevent the CAS from coming into unintended contact with other people?

________________________________________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________

4. How will you prevent the CAS from escaping?

________________________________________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________

5. If the CAS does escape how will it be recaptured?

________________________________________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________

6. If the CAS does escape, who do you plan to notify (e.g. landlord, police, etc.)? Please provide us with your plan.

________________________________________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________
7. If the CAS does escape, what is the threat to the public?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

8. What is the location of the nearest hospital? Has the medical staff been notified of any specific need in case of human injury with this species?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

9. What is the proximity of the Conservation Officer Service (COS), Royal Canadian Mounted Police (RCMP) or local police and your veterinarian?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

If the CAS is being shipped or transported:

10. How is/are the CAS to be transported while in British Columbia? (i.e. what kind of transportation container is used? Is the container locked?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

11. What is the method of transferring the CAS into the transport container?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

12. What is the expected duration of transport?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

13. What is the emergency plan if the CAS escapes?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
14. If applicable, how is/are CAS being shipped or transported into/from British Columbia? (i.e. are International Air Transport Association (IATA) or Animal Transportation Association (AATA) standards (as applicable), for live animal transportation being followed?)

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
Please complete an Animal Welfare Plan for each type of CAS. The Animal Welfare Plan should answer in full the following questions that are based on the BC SPCA’s Five Freedoms:

This plan is for the following CAS  ___________________________
Common Name - e.g. Tiger

Freedom from hunger and thirst

1. How often is the CAS fed?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

2. What kind of food does the CAS receive? And is it commercially available to you?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

3. If applicable, is the CAS receiving adequate and appropriate dietary and/or nutritional supplements? Please explain.

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

4. Does the CAS have access to clean/potable water? If applicable, how is freezing mitigated?

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

5. If there is more than one CAS in an enclosure, how are you ensuring that each CAS has access to adequate food and water? (I.e. how are you ensuring that both alpha and beta CAS receive adequate food and water?)

__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
Freedom from pain, injury or disease

6. How often are the enclosure and fixtures cleaned and if applicable, bedding replaced?
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

7. How often is the CAS assessed by a veterinarian licenced in B.C.?
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

8. What is the course of action if the CAS becomes sick or injured?
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

Freedom from distress

9. What is the course of action if the CAS starts showing signs of fear, frustration, anxiety or depression?
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

Freedom from discomfort

10. How is the CAS protected from environmental factors such as too much or too little heat, light, wind, humidity, etc?
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________

11. How is the CAS protected from physical factors that may cause pain or discomfort (e.g. concrete flooring, exposed wire caging)?
__________________________________________________________________________________________
__________________________________________________________________________________________
__________________________________________________________________________________________
Freedom to express behaviours that promote well-being

12. What are you doing to ensure the promotion of the CAS' natural behaviour? (For example, if applicable, is there a tree for CAS to climb, is there space for the CAS to jump, is there dirt for CAS to dig, is there an opportunity for social interactions?).
