Highlights

The Quarterly Environmental Enforcement Summary for the 4th Quarter of 2016 includes environmental enforcement actions from October 1st – December 31st 2016: 7 Orders, 106 Administrative Sanctions, 776 Tickets, 3 Administrative Penalties, and 11 Court Convictions. Penalties for this Quarter total \$251,000.

Notable Highlights this Quarter:

BC Hydro and Power Authority received two Orders to Remedy for the **Site C Clean Energy Project** under the *Environmental Assessment Act*. These were in response to the Project's failure to meet its Environmental Assessment Certificate conditions pertaining to minimizing impacts to amphibians and water quality monitoring.

Failure to adequately manage storm water caused a spill of untreated contact water at the **Cobble Hill Holdings Ltd.** landfill facility near Shawnigan Lake. A Pollution Prevention Order was issued under the *Environmental Management Act* requiring the company to immediately implement cleanup activities, mitigation measures, site restoration, and management actions.

Under the Recycling Regulation, producers of "Bluebox" recyclables are required to take responsibility for the life-cycle management of their packaging and printed paper products. **Blenz the Canadian Coffee Company** and **Fresh is Best Salsa Company** each received an Administrative Penalty (\$19,500 and \$13,000 respectively) for not meeting these requirements.

Tolko Industries Ltd. received a \$22,350 Administrative Penalty for failure to comply with multiple requirements of their air discharge permit. This is the third Administrative Penalty that was issued to the company in 2016, and was in response to dust emissions from a planer baghouse in Williams Lake. Administrative Penalties issued against the company in 2016 totaled to approximately \$33,000.

Douglas Russell was ordered to pay a total of \$21,575 after he was convicted under the *Environmental Management Act* for burning approximately 100 gallons of **waste road paint** near Terrace. The Habitat Conservation Trust Foundation received \$19,500 of the penalty issued for use in the Skeena Region.
