

# QUARTERLY ENVIRONMENTAL ENFORCEMENT SUMMARY

3rd Quarter 2006  
(July 1 - September 30)

*Protecting the Splendor of our Natural Places*

## Highlights

**The Quarterly Environmental Enforcement Summary for Q3 2006 outlines 10 orders 43 Administrative Sanctions, 695 Tickets, and 13 Court Convictions and for a combined total of almost \$135,000 in penalties.**

Notable Highlights this Quarter:

**Myung Yoon** was fined a total of \$6,000 in provincial court for various offences involving the illegal possession of bear parts. Yoon was stopped by the Conservation Officer Service at a multi-agency road-check on Highway 19 near Campbell River and found to be in possession of a black bear gallbladder. Conservation officers seized the gallbladder, a black bear, Yoon's hunting rifle and all associated hunting equipment. After a thorough investigation, Yoon appeared in Vancouver provincial court, pleading guilty to three offences under the *Wildlife Act*.

A Pollution Prevention Order was issued to **Ed Ilnicki** for storing hazardous wastes in quantities exceeding that allowed by the Hazardous Waste Regulation, and for possessing hazardous wastes without registration or approved plans. The order required Ilnicki to hire a qualified consultant to conduct an inventory and characterization of the hazardous waste stored on his property.

The public plays an important role in keeping our province safe, clean and beautiful. The **Report All Poachers and Polluters (RAPP)** program is a toll free tip-line and web-based service for reporting known or suspected violations of fisheries, wildlife, or environmental protection laws. Calling the RAPP line ensures the crime can be reported anonymously and without risk of confronting the offender. Available 24/7, RAPP is simple, safe and effective. With accurate reporting, RAPP Call Centre staff relay the information to the Conservation Officer Service. Contact RAPP at **1-877-952-7277 (RAPP)** or **#7277** on the TELUS Mobility Network or at <http://www.env.gov.bc.ca/cos/rapp/rapp.html>

Our compliance and enforcement reporting includes orders, administrative sanctions, tickets and court convictions, covering hunting and fishing, open burning, mud bogging, dam safety, pesticide and pollution violations.
