

# QUARTERLY ENVIRONMENTAL ENFORCEMENT SUMMARY

3rd Quarter 2009  
(July 1 - September 30)

*Protecting the Splendor of our Natural Places*

## Highlights

**The Quarterly Environmental Enforcement Summary for Q3 2009 outlines 3 orders 53 Administrative Sanctions, 796 Tickets, and 8 Court Convictions and for a combined total of over \$146,000 in penalties.**

Notable Highlights this Quarter:

Ministry of Environment compliance staff issued 52 violation tickets under the *Wildfire Act* to address contraventions during summer campfire bans, and 48 violation tickets under the Liquor Control Act for possessing open liquor in a vehicle. These are important public safety issues related to the protection of our natural resources and road safety in the back country. These types of infractions are encountered during the ordinary course of duty for Conservation Officers and exemplify an efficient use of government law enforcement resources working in the public interest.

The Ministry of Environment held two administrative hearings to deal with allegations of misconduct by Guide Outfitting operations. Under section 61 of the *Wildlife Act*, a Regional Manager may hold a quasi-judicial hearing to consider licensing actions in response to the conduct of a Guide Outfitter, Guide Angler or Trapper. Through their licence, Guide Outfitters are representatives of the Crown in British Columbia. As such, they need to be held to a high standard of conduct and must always operate within the law. Guide Outfitters must also be aware of and monitor the actions of their employees and clients to ensure that they are also operating within the law. See page 6 for the results of these administrative hearings.

The public plays an important role in keeping our province safe, clean and beautiful. The **Report All Poachers and Polluters (RAPP)** program is a toll free tip-line and web-based service for reporting known or suspected violations of fisheries, wildlife, or environmental protection laws. Calling the RAPP line ensures the crime can be reported anonymously and without risk of confronting the offender. Available 24/7, RAPP is simple, safe and effective. With accurate reporting, RAPP Call Centre staff relay the information to the Conservation Officer Service. Contact RAPP at **1-877-952-7277 (RAPP)** or **#7277** on the TELUS Mobility Network or at <http://www.env.gov.bc.ca/cos/rapp/rapp.html>

Triple H Outfitters	Kootenays	<i>Wildlife Act</i>		61	6.5 year ineligibility to hold a Guide Outfitter or Assistant Guide Outfitter licence	Commercial Licence Action An administrative hearing was called by the Regional Manager based on a number of illegal activities that took place at the Triple H Outfitters. In rendering his decision, the Regional Manager considered that Mr. Horvath had been charged with 17 counts of failing to submit guide declaration reports, 5 counts of failing to pay guide royalties, 1 count of angling without a licence. Two assistant guides at Triple H Outfitters were also charged for failing to report the killing of a 5 point elk and illegally harvesting a bighorn sheep ram with less than full curl.
Ramousch, Marika d.b.a. Rocky Mountain Adventures	Prince George	<i>Wildlife Act</i>		61	3 month suspension of Guide Outfitter Licence (during the spring bear hunt); must successfully retake Guide Outfitter exam; must submit to the ministry an operating plan.	Commercial Licence Action Based on allegations currently before the Courts, an administrative hearing was called by the Regional Manager to consider Marika Ramousch's guiding activities. The allegations before the Courts concerned the shooting of two mountain goats within her guiding area and some subsequent related illegal activities. Most of the offences were a direct result of the actions taken by Mrs. Ramousch's Assistant Guides and clients, however that does not excuse the Guide Outfitter as she has a responsibility to ensure her employees and clients are operating within the law.
