

QUARTERLY ENVIRONMENTAL ENFORCEMENT SUMMARY

4th Quarter 2011
(October 1 - December 31)

Protecting the Splendor of our Natural Places

Highlights

The Quarterly Environmental Enforcement Summary for Q4 2011 outlines 52 Administrative Sanctions, 556 Tickets, and 19 Court Convictions for a combined total of over \$690,000 in penalties.

Notable Highlights this Quarter:

An Alberta resident who operates a Guide Outfitting operation in British Columbia was suspended from holding an angling or hunting licence for twenty years. The Director of Wildlife based their decision on a long history of infractions under British Columbia's *Wildlife Act*, issuing a twenty year suspension to **Ronald Arnett** of **Triple H Outfitters**. Arnett received a ten year suspension from operating as a guide outfitter in 2001, however the Director noted that many of Arnett's infractions were hunting violations rather than guide specific violations. Thus, the section 24 licence action is applied more broadly to any of Arnett's angling and hunting activities (personal or commercial).

Two Vancouver Island men were given jail sentences in the province's on-going Eagle Poaching investigation that began when 40 Bald Eagle carcasses were discovered in North Vancouver and Squamish in 2006. Jerome Seymour and William Seymour were convicted in Provincial Court for wildlife trafficking. **Jerome Seymour** was fined \$1,310 and sentenced to 48 days jail, while **William Seymour** was fined \$200 and sentenced to 9 days in jail. Both men have appealed their convictions and sentences.

In 2011, government launched a new online database making it faster and easier for British Columbians to keep track of the people, businesses and industries running afoul of B.C.'s environmental rules. In addition to the *Quarterly Environmental Compliance and Enforcement Summaries*, published in PDF format, the new database allows information to be searched by violator names, locations, dates or types of violation, dating back to 2006 when the Ministry of Environment began public reporting of violations.

Our compliance and enforcement reporting includes orders, administrative sanctions, tickets and court convictions, covering hunting and fishing, open burning, mud bogging, dam safety, pesticide and pollution violations. Find the new database at: www.env.gov.bc.ca/main/compliance-reporting
