

QUARTERLY ENVIRONMENTAL ENFORCEMENT SUMMARY

1st Quarter 2014
(January 1 - March 31)

Protecting the Splendor of our Natural Places

Highlights

The Quarterly Environmental Enforcement Summary for Q1 2014 outlines 8 Orders, 44 Administrative Sanctions, 295 Tickets, and 12 Court Convictions for a combined total of over \$72,000 in penalties.

Notable Highlights this Quarter:

Ministry staff undertook inspections of agricultural operations across the province, resulting in the issuance of three Pollution Prevention Orders under the Agricultural Waste Control Regulation of the *Environmental Management Act*. The orders required that measures be taken to better manage run-off from manure stored on agricultural properties, in order to protect the environment.

A lakeside resort adjacent to Bowron Lake Provincial Park was issued a *Park Act* Order for constructing a wooden retaining wall that encroached beyond the park boundary. Becker's Lodge was ordered to remove the structure, as well as the backfill material, and return the lakefront area to its natural state.

In keeping with the ministry's efforts to improve the payment of environmental fines, one individual must pay his fines in full before having his seized hunting rifle returned. In 2013, the Ministry of Environment partnered with the Ministry of Justice and the Ministry of Finance to reign in outstanding court fines. So far, over \$106,000 has been collected, with more coming through payment plans and Canada Revenue agency seizures. For more information, see ***Closing the Gap*** at: www.env.gov.bc.ca/main/compliance-reporting/

The public plays an important role in keeping our province safe, clean and beautiful. The **Report All Poachers and Polluters (RAPP)** program is a toll free tip-line and web-based service for reporting known or suspected violations of fisheries, wildlife, or environmental protection laws. Calling the RAPP line ensures the crime can be reported anonymously and without risk of confronting the offender. Available 24/7, RAPP is simple, safe and effective. With accurate reporting, RAPP Call Centre staff relay the information to the Conservation Officer Service. Contact RAPP at **1-877-952-7277 (RAPP)** or **#7277** on the TELUS Mobility Network or at <http://www.env.gov.bc.ca/cos/rapp/rapp.html>
