David Lawes  
Director Waste Management  
Environmental Protection Division  
Ministry of Environment  
PO Box 9341, Stn Prov Govt  
Victoria, B.C.

Dear Mr. Lawes

Re: Discontinuance of Stewardship Activities of the Canadian Brandowner Residual Stewardship Corporation (CBRSC)

This letter serves as official notice that the stewardship activities of CBRSC will be discontinued effective August 1, 2013 at which time responsibility for electronic toys will be transitioned to Electronic Products Stewardship Association (EPRA) who will include electronic toys in the obligated products for which they perform stewardship duties under Part 2 of the Recycling Regulation. All producers who are members of the CBRSC electronic toy program will be notified May 1, 2013 that they should register with EPRA before August 1, 2013 to ensure that they remain compliant with the requirements of Part 2 of the BC Recycling Regulation. As a result, CBRSC wishes to withdraw the currently approved Appendix 1: Electronic Toy Stewardship Program for British Columbia effective August 1, 2013.

Yours truly,

  
Joyce Thayer  
Executive Director CBRSC
