Dear Mr. Cannon:

Thank you for your letter of November 26, 2012, advising me that the British Columbia Lottery Corporation (BCLC) have appointed the Electronics Producers Recycling Association (EPRA) of BC to carry out the duties of the producer under Part 2 of the Recycling Regulation (449/2004).

As requested, I accept BCLC's withdrawal of the product stewardship plan dated May 7, 2012 and approved by the Director on August 9, 2012. Therefore, BCLC's Stewardship is rescinded effective immediately.

Thank you again for advising us of your status change. We trust that your business relationship with the EPRA stewardship program in collecting and recycling of slot machines creates a win-win for all parties.

If you have any questions regarding this notification, I invite you to contact Meegan Armstrong at 250 356-9089 or Bob Paul at 250 387-9774.

Yours truly,
