Dear Mr. Luymes:

Thank you for submitting the revised "Switch the 'Stat'" Stewardship Plan for British Columbia, dated February 3, 2010, on behalf of the Heating, Refrigeration and Air Conditioning Institute of Canada and Summerhill Impact, as required under section 4 of the Recycling Regulation.

I have completed my review of the submission and hereby approve the "Switch the 'Stat'" Stewardship Plan for manufacturers and distributors responsible for selling thermostats into British Columbia. Please be advised that this approval does not extend to any materials or content contained in the plan that are extraneous to the requirements of section 5 of the Recycling Regulation.

I look forward to working with you to ensure the success of this program.

Sincerely,
