

Registration and Relocation Notification Form

for authorization to discharge waste under the *Environmental Management Act*

Asphalt Plant Regulation

FORM REFERENCE CODE: EPD-APR-01.2

INSTRUCTIONS:

The registration process under this Regulation does not require a preliminary registration or pre-registration meetings with Ministry staff. **This form may be used for registering a hot-in-place asphalt recycling plant or hot mix asphalt plant under the Asphalt Plant Regulation and for providing notice of relocation for an asphalt plant.**

Before completing this registration form, please review the following:

- Asphalt Plant Regulation under the *Environmental Management Act* at www.bclaws.ca; and,
- Ministry information and guidance documents that will assist in understanding the registration process and any other documents that may be required at <http://www2.gov.bc.ca/gov/content?id=0876E90DA4744A449423D35EB4E09785>.

It is preferred that this form is completed using a computer or typewriter. If completing this form by hand, please PRINT clearly.

Mandatory fields are marked with an asterisk (*). Please ensure all required fields are completed or the registration form may not be accepted.

Sending the following completed information to the Ministry of Environment & Climate Change Strategy by email or mail to the address noted below constitutes submitting your registration application to a Director under the Regulation.

Under the *Environmental Management Act*, SBC 2003, c. 53 (the “Act”), a person is prohibited from introducing waste into the environment except in compliance with the Act and any applicable regulations. The applicant is not registered under the Regulation until a completed registration form and all required information has been submitted. In accordance with the Regulation, every owner or operator must register within 30 days after acquiring the ownership of a hot-in-place asphalt recycling plant or hot mix asphalt plant.

This registration form can be submitted to the ministry by email (preferred), by mail or by courier.

There is a \$400 application fee required to register under the Asphalt Plant Regulation. There is also an annual fee that is calculated based on asphalt production amounts from the previous year in accordance with the Permit Fees Regulation.

For emission controls that use water:				
Water consumption			L/min	4
Pressure drop			cm water (for venturi-type scrubber)	5
Settling pond volume			m ³	6

If a baghouse is used:		
Air to cloth ratio	$m^3/min/m^2$	7
Type	<i>e.g. pulse jet reverse flow</i>	8
If “other” is selected:		
Describe the emission controls used:		9

The following is to be completed for a hot-in-place asphalt recycling plant:		
*List the serial number for each machine train unit		10
*Describe the heating process used to soften the pavement		11
*For a new hot-in-place recycling plant, provide the design gaseous discharge flow rate of each machine train unit stack	(flow rate and units)	12
*For an existing plant, provide/attach the most recent set of stack monitoring results	<input type="checkbox"/> Stack monitoring results are attached	13

The following is to be completed for a hot mix asphalt plant:		
*Provide the serial numbers and describe each major piece of plant equipment		14
*Maximum % of recycled asphalt pavement to be used, if any		15
*For a new hot mix recycling plant, provide the design gaseous discharge flow rate for the aggregate dryer	(flow rate and units)	16
*For an existing plant, provide/attach the most recent set of aggregate dryer stack monitoring results	<input type="checkbox"/> Stack monitoring results are attached	17

Section 7: Project Information

This section is only needed in order to provide notification before commencement of a project. Notification of the plan of operation must be provided to a director at least 14 days before commencement of a project.

Section 8: Declaration and Signature

Please carefully read the following before placing your signature.

By completing this Registration for an authorization, the Registrant understands and agrees with the following terms and conditions:

1. In this section:

“Registrant” means the registrant as identified in section 2 of this registration form;

“Director” means any statutory decision maker under EMA;

“EMA” means the *Environmental Management Act*, S.B.C. 2003, c. 53, as amended or replaced from time to time;

“FOIPPA” means the *Freedom of Information and Protection of Privacy Act*, R.S.B.C. 1996, c. 165, as amended or replaced from time to time;

“Province” means Her Majesty the Queen in Right of British Columbia;

“Regulatory Document” means:

- a) this registration form,
- b) any document that the Registrant submits or causes to be submitted to the Province or the Director in support of this registration, and
- c) any document that the Registrant submits or causes to be submitted to the Director or the Province pursuant to
 - i. any regulation made under EMA that regulates the facility described above or the discharge of waste from that facility; or
 - ii. any order issued under EMA directed against the Applicant that is related to the facility described above or the discharge of waste from that facility.

2. In consideration of the Province receiving this registration form, subject to paragraph 3, the Registrant hereby irrevocably authorizes the Province to publish on the B.C. government website the entirety of any Regulatory Document.

3. Despite paragraph 2, if the Registrant clearly identifies on the face of a Regulatory Document that the Regulatory Document, or clearly identified portions of it, are confidential and provides in writing with the document a rationale for why the document or portion thereof could not be disclosed under FOIPPA, the Registrant does not consent to the Province publishing the document or any portion of it if, in the opinion of the Director, the document or portion could not be disclosed under FOIPPA, if it were subject to a request under section 5 of FOIPPA.

4. In consideration of the Province receiving this application, the Registrant agrees that it will indemnify and save harmless the Province and the Province’s employees and agents from any claim for infringement of copyright or other intellectual property rights that the Province or any of the Province’s employees or agents may sustain, incur, suffer or be put to at any time that arise from the publication of a Regulatory Document.

5. The Registrant certifies that the information provided in this registration form is true, complete and accurate, and acknowledges that the submission of insufficient information may result in this registration being returned causing delays in the registration review process.
