

PRELIMINARY Application for a NEW Authorization
for authorization to discharge waste under the Environmental Management Act

New Permit, Approval, or Operational Certificate

FORM REFERENCE CODE: EPD-EMA-01.2

INSTRUCTIONS:

The application process is comprised of multiple steps that require the submission of a preliminary application and fee, followed by meetings with Ministry staff, and submission of a final application. This form may be used for submission of a Preliminary Application for a new Permit, Approval or Operational Certificate.

Before completing this application form, please review the following:

- Waste Discharge Regulation under the Environmental Management Act at www.bclaws.ca; and,
Ministry information and guidance documents that will assist in understanding the registration process and any other documents that may be required at http://www2.gov.bc.ca/gov/content?id=0876E90DA4744A449423D35EB4E09785.

It is preferred that this form is completed using a computer or typewriter. If completing this form by hand, please PRINT clearly.

Mandatory fields are marked with an asterisk (*). Please ensure all required fields are completed or the application form may not be accepted.

Once the Preliminary Application has been submitted, the application will be screened for completeness before the applicant is contacted to proceed through the Preliminary Application Phase.

A Pre-Authorization Number and Tracking Number will be assigned to this request. Both numbers should be referenced on all further documents submitted to support the new application request.

Under Environmental Management Act, a person is prohibited from introducing waste into the environment without authorization. Submitting an application to discharge is NOT an authorization to discharge.

This application form can be submitted to the Ministry by email (preferred), by mail or by courier.

There is application fee of \$400 for Permits that is due upon submission. There is no application fee for an Approval, instead a \$200.00 annual base fee and a variable discharge fee will be invoiced to the applicant once the Approval has been issued. There is no application fee for an Operational Certificate. See Section 9 for payment information.

Table with 2 columns: Mail or Email, Courier. Contains contact information for Environmental Protection Division via mail/email and courier.
