

PRELIMINARY Application for an Authorization AMENDMENT

for authorization to discharge waste under the *Environmental Management Act*

Permit, Approval or Operational Certificate

FORM REFERENCE CODE: EPD-EMA-04.3

INSTRUCTIONS:

The amendment application process is comprised of multiple steps that require the submission of a preliminary application and fee, followed by meetings with Ministry staff, and submission of a final application. **This form may be used for submission of a Preliminary Application to amend a Permit, Approval or Operational Certificate.**

Before completing this application form, please review the following:

- Waste Discharge Regulation under the *Environmental Management Act* at www.bclaws.ca; and,
- Ministry information and guidance documents that will assist in understanding the registration process and any other documents that may be required at <http://www2.gov.bc.ca/gov/content?id=0876E90DA4744A449423D35EB4E09785>.

It is preferred that this form is completed using a computer or typewriter. If completing this form by hand, please PRINT clearly.

Mandatory fields are marked with an asterisk (*). Please ensure all required fields are completed or the application form may not be accepted.

Once the preliminary application has been submitted, the amendment application will be screened for completeness before the applicant is contacted to proceed through the Preliminary Application Phase.

A Tracking Number will be assigned to your request. Both the Authorization Number and Tracking Number should be referenced on all further documents submitted to support the amendment application request.

Under *Environmental Management Act*, a person is prohibited from introducing waste into the environment without authorization. Submitting an application to discharge is NOT an authorization to discharge.

This application form can be submitted to the Ministry of Environment & Climate Change Strategy by email (preferred), by mail or by courier.

There is an application fee of \$400.00 for Permits and Operational Certificates that is due upon submission. There is no application fee for Approvals, however additional variable discharge fees may be required. See section 9 for payment.
