

Registration Form

for authorization to Discharge Waste under the *Environmental Management Act*

Municipal Wastewater Regulation Registration

FORM REFERENCE CODE: EMA-MWR-01.2

INSTRUCTIONS:

The registration process is comprised of multiple steps that require the submission of a preliminary registration and fee, followed by meetings with Ministry staff, and submission of a final registration. **This form may be used for submission of a Preliminary or Final Registration for a New Registration or a Registration Amendment (changes to an existing registration).**

Before completing this registration form, please review the following:

- Municipal Wastewater Regulation under the *Environmental Management Act* at www.bclaws.ca; and,
- Ministry information and guidance documents that will assist in understanding the registration process and any other documents that may be required at <http://www2.gov.bc.ca/gov/content?id=0876E90DA4744A449423D35EB4E09785>.

It is preferred that this form is completed using a computer or typewriter. If completing this form by hand, please PRINT clearly.

Mandatory fields are marked with an asterisk (*). Please ensure all required fields are completed or the registration form may not be accepted.

Once the preliminary registration has been submitted, the registration will be screened for completeness before the applicant is contacted to proceed through the Preliminary Registration Phase for obtaining an authorization to discharge.

A Pre-Authorization Number and Tracking Number will be assigned to this request. Both numbers should be referenced on all further documents submitted to support the new registration request.

Under *Environmental Management Act*, a person is prohibited from introducing waste into the environment without authorization. Submitting a registration to discharge is NOT an authorization to discharge.

This registration form can be submitted to the Ministry by email (preferred), by mail or by courier.

There is application fee of \$400 that is due upon submission. See Section 10 for payment information.
