

Summary: Child and Family Practice Review of the Death of a Youth in the Care of the Director in 2021

Circumstances of the Fatality

The review examined the services provided to a youth who died. The youth received guardianship services at the time of the death.

Findings

The youth's needs were met with a specific focus on permanency, health, and the transition to adulthood. Assessment and planning were thorough and well documented, and service was provided in line with policy. The youth engaged in services to meet their specific needs, and collaboration amongst the care team was consistent.

Actions

No actions were required to address the findings of this review.

The review was completed in May 2023.
