

Summary: Child and Family Practice Review of the Death of a Youth in the Care of the Director in 2022

Circumstances of the Fatality

The review examined the services provided to a youth who died. The youth received guardianship services at the time of the death.

Findings

A large care team that included the youth's family, medical personnel, and community service providers was gathered to assess and plan for the youth's needs. The youth spent periods of time in hospital which contributed to policy related to a specific issue not being adhered to; leadership was aware of the specific requirement, and the youth's care was not impacted.

Actions

No actions were required to address the findings of the review.

The review was completed in November 2023.
