

Summary: Child and Family Practice Review of the Death of a Child in the Care of the Director in 2022

Circumstances of the Fatality

The review examined the services provided to a child who died. The child and their family received guardianship services at the time of the death.

Findings

The ministry assessed and planned for the child's safety and well-being. The ministry collaborated with the child's extensive care team to address the child's changing needs. The ministry coordinated with multiple community professionals to provide outreach services to the child.

The child was frequently absent from their placement. The ministry obtained legal orders to protect the child.

Actions

No actions were required to address the findings of the review.

The review was completed in October 2023.
