

## **Summary: Child and Family Practice Review of the Death of a Child in the Care of the Director in 2022**

### Circumstances of the Fatality

The review examined the services provided to a child who died. The child received guardianship services at the time of the death.

### Findings

The permanency and health needs of the child were assessed and planned for by the ministry. A large, consistent, and supportive care team collaborated to address the child's evolving needs. A specific report was not submitted; however, it did not impact the service provided.

### Actions

No actions were required to address the findings of the review.

**The review was completed in October 2023.**
