

## **Summary: Child and Family Practice Review of the Death of a Child in the Care of the Director in 2022**

### Circumstances of the Fatality

The review examined the services provided to a child who died. The child and their family were receiving services at the time of the death.

### Findings

The needs of the child were assessed and planned for by the director and their health needs were continuously considered and responded to. Collaborative planning occurred regularly with the child's extensive care team. The child's parent was involved in all decision making and their family connections were maintained.

### Actions

No actions were required to address the findings of the review.

**The review was completed in April 2024.**
