

Summary: Child and Family Practice Review of the Death of a Child in the Care of the Director in 2023

Circumstances of the Fatality

The review examined the services provided to a child who died. The child received guardianship services at the time of the death.

Findings

The child's needs were met with a specific focus on permanency and health. The director's assessment and planning for the child was thorough and well documented, and services were provided. The child was supported by a large care team, who made ongoing efforts to address the child's needs and promote their well-being.

Actions

No actions were required to address the findings of the review.

The review was completed in May 2024.
