Provincial Agri-Teams have been formed to work with local governments on:

- Local government bylaw reviews in farming and ranching areas;
- Farm practice protection concerns;
- Agricultural land use inventories (ALUI);
- Agricultural Area Plans (AAP);
- Official community plans (OCP);
- Support for Agricultural Advisory Committees (AAC); and
- Other day-to-day issues that might involve agriculture throughout B.C.

An important part of the Ministry of Agriculture's Strengthening Farming Program is to ensure strong working relations between local governments, the Ministry of Agriculture (AGRI), and the Agricultural Land Commission (ALC). To support local governments when dealing with a wide range of agricultural matters, 'Provincial Agri-Teams' have been designated to support each of the over 150 municipalities and Regional Districts with land in the Agricultural Land Reserve (ALR).

The following pages list the team members and AGRI office locations throughout the Province, as well as ALC team members and their corresponding AGRI office and ALC contacts.
