Provincial ‘AGRI-TEAMS’ consist of B.C. Ministry of Agriculture (AGRI) and Agricultural Land Commission (ALC) staff assigned to support municipalities and Regional Districts with land in the Agricultural Land Reserve (ALR), the agricultural sector, and the public regarding farming and ranching activities, land use planning for agriculture, and relevant provincial legislation.

AGRI-TEAMS work with B.C.’s local governments on:
• Local government bylaw referrals in farming areas;
• Farm practice protection concerns;
• Agricultural Land Use Inventories (ALUI);

• Agricultural Area Plans (AAP);
• Official Community Plans and Regional Growth Strategies; and
• Support for Agricultural Advisory Committees (AAC)
