Tests Requested

--	--	--

Specimens submitted to the PAHC become the property of the PAHC and are cremated on site following testing. Ashes cannot be returned. Information related to food-producing animal testing may be used by the Ministry of Agriculture for the purpose of summarized statistical surveillance of production animal health in BC. Personal details will not be disclosed, in accordance with the Freedom of Information and Protection of Privacy Act. In the event of a suspected reportable, notifiable or foreign animal disease, the PAHC is obligated to comply with the federal Health of Animals and the provincial Animal Disease Control Acts by confirming the diagnosis and notifying the appropriate agencies.
