

KNOW BEFORE YOU GO

Tips for Attending a Healthy Poultry Event

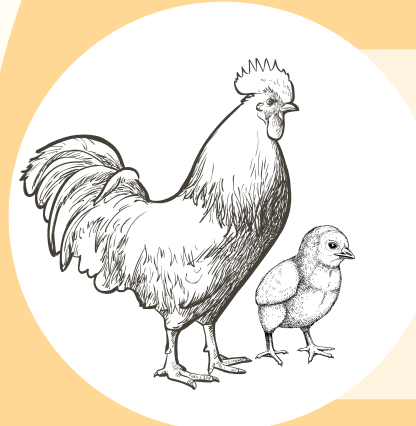

Dedicated Fair Wear

Poultry diseases can be spread easily and accidentally

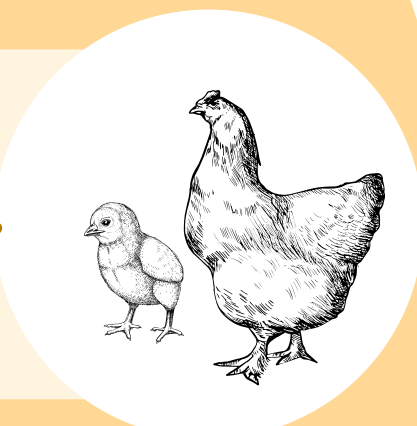

Wear clean clothes and boots to the fair

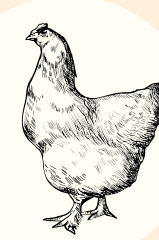

Distance Measures for Healthy Feathers

~2 meters

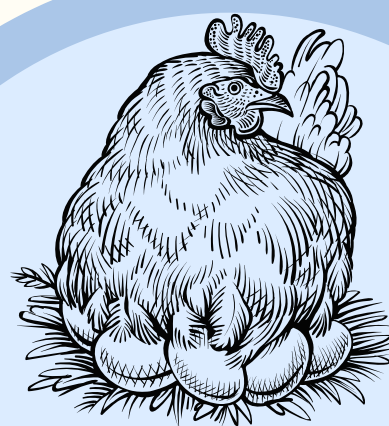

Keeping birds from different premises apart helps to prevent the spread of illness

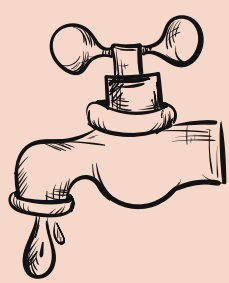

Avoid Fowl Play Keep Sick Birds Away

Sick birds and birds from flocks showing signs of illness (cough, nasal discharge, swelling, diarrhea etc.) should be kept home

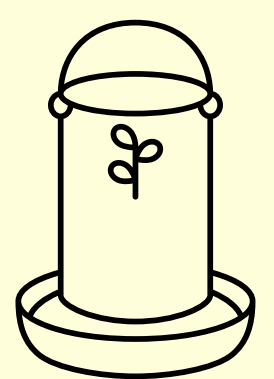

Leave Birds Undisturbed

Diseases can be spread through handling. Avoid handling birds. If handling is necessary, wear clean gloves and wash hands between birds

Don't Share at the Fair

Only use equipment you brought with you and disinfect tools before and after attending
