

# KNOWLEDGE AND TECHNOLOGY TRANSFER PROGRAM (KTTP)

*\*Program information last updated October 31, 2023*

## WHAT IS THE KNOWLEDGE AND TECHNOLOGY TRANSFER PROGRAM (KTTP)?

The cost-shared reimbursement program is intended to strategically support extension activities for B.C.'s producers and processors to innovate and adapt to changing environmental, production, and market conditions through practical, applied knowledge and skill development.

The KTTP opened three intakes this year. This report notes the Spring and Fall intakes only.

### OBJECTIVE

The objective of the KTTP is to increase the competitiveness, resiliency, and innovation of the B.C. agriculture and food sector through facilitated knowledge and technology transfer.

## PROGRAM DETAIL

**STREAM ONE:**  
SUBJECT MATTER EXPERT FOR KNOWLEDGE DEVELOPMENT

To increase the knowledge of the B.C. agriculture and food sector to increase their competitiveness, resilience, and innovation.

**FUNDING**  
Up to  
**\$1,500**  
per activity

Up to \$1,500 per activity intended for Subject Matter Expert (SME) activities such as industry expert presentations, conferences, and community gatherings

**STREAM TWO:**  
HANDS ON LEARNING FOR SKILL & KNOWLEDGE DEVELOPMENT

To increase the skills and competencies of the B.C. agriculture and food sector to increase their competitiveness, resilience, and innovation.

**FUNDING**  
Up to  
**\$7,500**  
per activity

Up to \$7,500 per activity intended for hands-on learning activities such as (but not limited to) field days, community farm tours and short courses

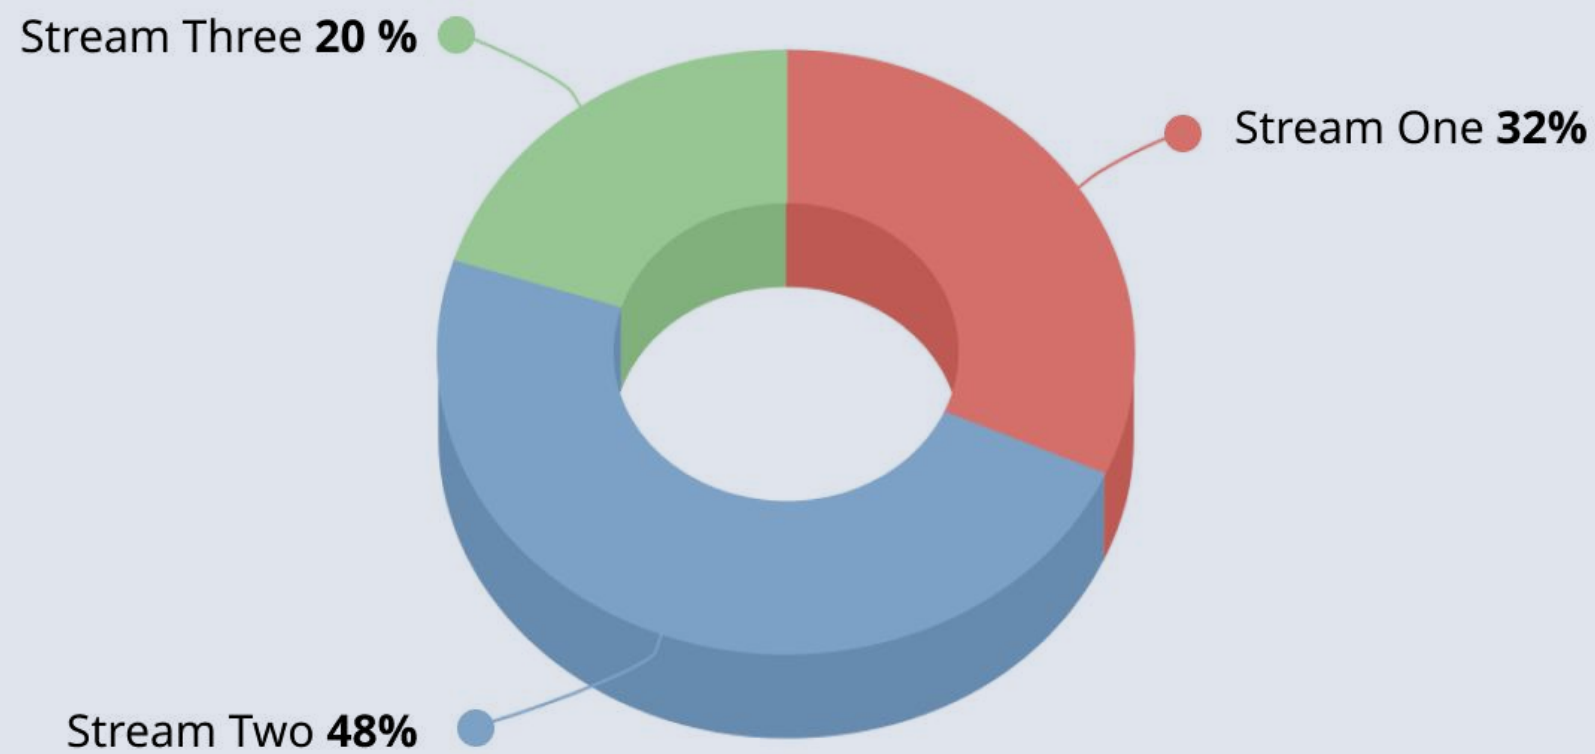

**STREAM THREE:**  
LEARNING FOCUSED ON REGENERATIVE AGRICULTURE PRACTICES

To increase the skills and competencies of the B.C. agriculture and food sector regarding Regenerative Agricultural Practices.

**FUNDING**  
Up to  
**\$7,500**  
per activity

Up to \$7,500 per activity intended for hands-on learning activities such as (but not limited to) field days, community farm tours and short courses

## 2023 KTCP MID-YEAR FUNDING ALLOCATION BY STREAM

## KTCP ELIGIBLE ACTIVITIES

### STREAM ONE

#### Subject Matter Experts for activities

EX)

- Conferences
- Events
- Annual General Meeting (AGMs)
- Community Gatherings

### STREAM TWO

#### Activities that support the development of skills and competencies

EX)

- Field Days
- Research Trials
- Farm Tours
- Technology Training
- Hands-on Workshops
- Experiential Learning

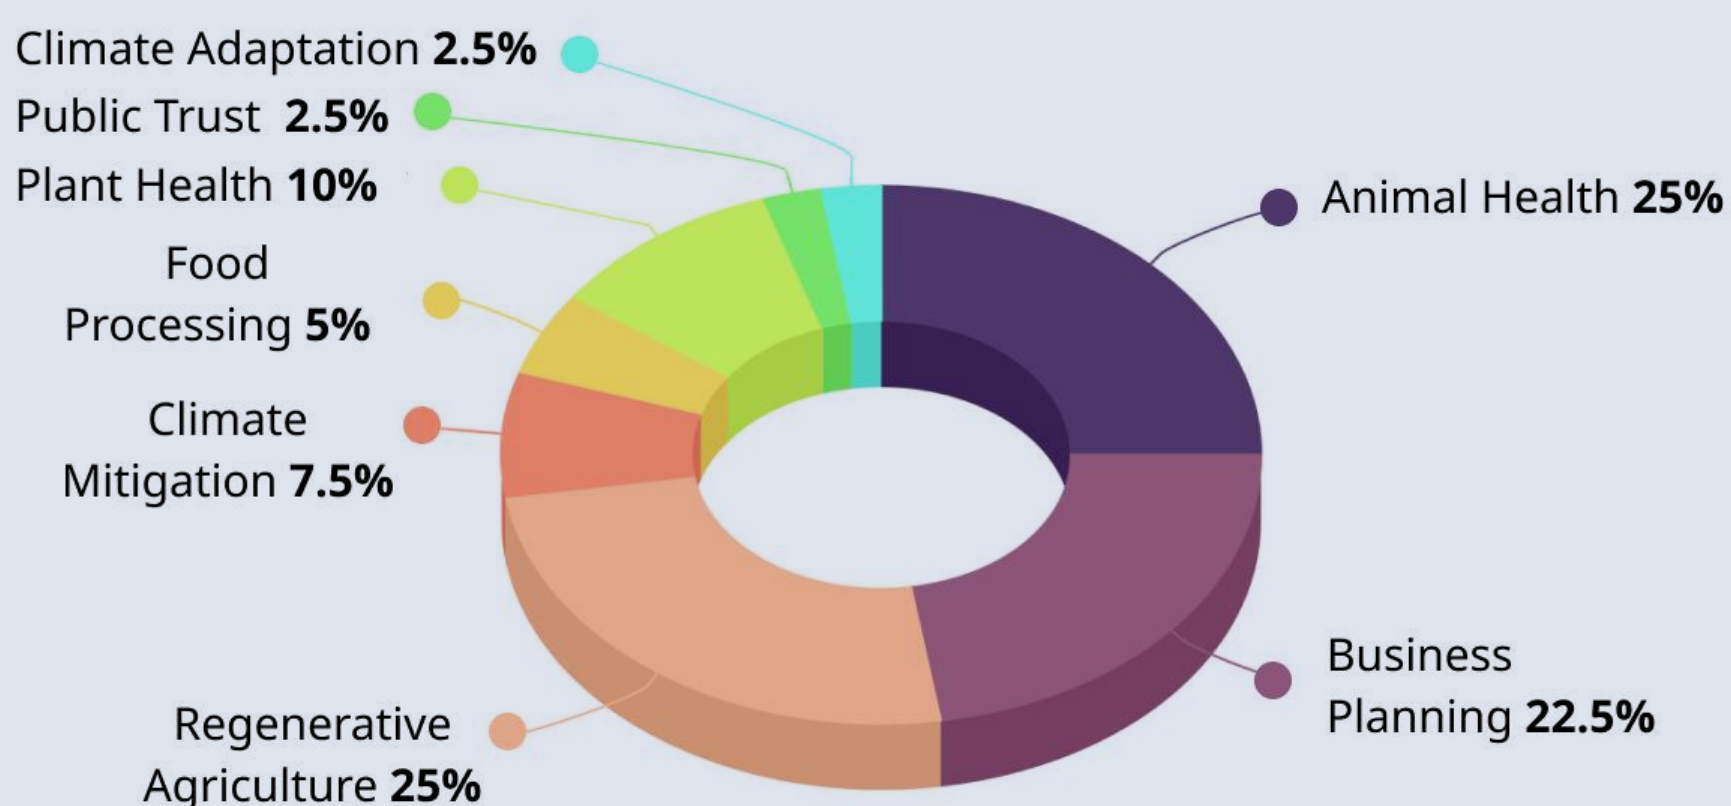

### STREAM THREE

#### Activities that support the development of skills and competencies

EX)

- Field Days
- Research Trials
- Farm Tours
- Technology Training
- Hands-on Workshops
- Experiential Learning

## 2023 KTCP MID-YEAR FUNDING ALLOCATION BY PROGRAM AREA

**41**  
Recipients

**2023 KTCP MID-  
YEAR APPROVED  
FUNDING  
\$185,167**

## Stream One

### **North Okanagan Livestock Association (\$1,500)**

BC Cattlemen's Association Annual General Meeting Speaker Series, sponsored by the North Okanagan Livestock Association

### **Alberni Farmers' Institute (\$1,500)**

Succession Planning for your Farm

### **Ha'oom Fisheries Society (\$1,500)**

Conference Workshop: Discussing Seafood Traceability for Mowachaht/Muchalaht First Nation

### **Lake Country Farmers' Institute (\$1,500)**

Agricultural Soils & Irrigation Management

### **Kamloops Okanagan Dairy Association (\$1,500)**

NODEAC Seminar and Tradeshow

### **Alberni Valley Food Security Society (\$1,500)**

Seedy Saturday Speaker Series: Sowing for Resilience

### **BC Hazelnut Growers Association (\$907.50)**

Annual General Meeting

### **Certified Organic Associations of BC, dba Organic BC (\$1,500)**

BC Organic Conference 2023

### **Wine Islands Growers Association (\$1,500)**

2023 WIGA Viticulture and Oenology Conference

### **Pleasant Valley Cattlemen's Association (\$1,500)**

Agriculture Awareness Days

### **Peace River Forage Association of BC (\$1,500)**

Annual General Meeting and Info Session

### **South Vancouver Island Farmers' Institute (\$1,100)**

Farm Sustainer's Series

### **B.C. Grain Producers Association (\$1,176)**

Regenerative Agriculture Workshop

## Stream Two

### **Inter-Island Sheep Breeders Association (\$7,500)**

Improving Sheep Nutrition to Yield Healthier Animals, Greater Meat Production and Improved Fiber Quality

### **Bulkley Valley Cattlemen's Association (\$2,300)**

Cattle Health Workshop

### **South Vancouver Island Farmers' Institute (\$5,315)**

Farmer to Farmer Field Day Week

### **Island Milk Producers Association (\$7,500)**

Hoof Trimming Workshop (collaborating with BCDA)

### **Bulkley Valley Dairy Association (\$5,900)**

Herd Health at Home - A Day with a Dairy Vet (collaborating with BCDA)

### **Squamish Climate Action Network Society (\$7,500)**

Pemberton Farm Tour & Good Food Gathering (Squamish to Lillooet)

### **Tsawwassen First Nation (\$2,000)**

Tsawwassen First Nation's Agriculture Advisory Committee Farm Tour

### **South Vancouver Island Farmers' Institute (\$695)**

Seed-Saving for Resilience Workshop

### **Tsawwassen First Nation (\$6,300)**

### **British Columbia Christmas Tree Association (\$7,500)**

BCCTA Field Day and Tour

### **BC Association of Abattoirs (dba BCMeats) (\$7,500)**

BC Meat Processing Benchmark Tool and Best Practices Guides Training (Funded through AF Food and Beverage Branch)

### **BC Sheep Federation (\$6,525)**

Producing a Quality Lamb for Market

### **Pemberton Farmers' Institute (\$7,500)**

Farm Employee Management Workshop

### **Kootenay and Boundary Farm Advisors administered by Keefer Ecological Services (\$7,500)**

BC Interior Grazing School for Women

### **BC Potato & Vegetable Growers Association (\$7,500)**

BC Potato Variety Development and Field )

### **North Cariboo Agricultural Marketing Association (dba FARMED) (\$7,440)**

Sustainable Knowledge in Learning & Listening

### **FarmFolk CityFolk Society (\$4,550)**

Root Selection for Carrot Seed Production

### **BC Landscape and Nursery Association (\$7,500)**

BCLNA 70th Anniversary Farm Tours and Educational Seminars

### **BC Dairy Association (\$7,500)**

Hoof Trimming Workshop for Dairy Producers

### **BC Forage Council (\$7,500)**

Forage Resilience in a Changing Landscape Pre-Conference Workshops: Extension Delivery & Remote Sensing Technology

## Stream Three

### **Kersley Farmers' Institute (\$4,518)**

Soil Regeneration, Next Generation Workshop

### **Peace River Forage Association of BC (\$4,510)**

Tales of Water, Worms and Fence Wire Workshop

### **Salt Spring Island Farmland Trust Society (\$1,500)**

Integrated Pest Management & Climate Smart Growing Practices Web Series

### **BC Forage Council (\$7,500)**

Forage Resilience in a Changing Landscape: Manage Risk. Overcome Challenges. Discover Opportunities.

### **BC Hazelnut Growers Association (\$4,215)**

Event 1 - BC Hazelnut Growers Association Annual Island Field Day  
Event 2 - BC Hazelnut Growers Association Annual Fall Field Day

### **Certified Organic Associations of BC, dba Organic BC (\$6,564)**

Soil Health Regeneration Series

### **The Circular Farm and Food Society/ The Sandown Centre for Regenerative Agriculture (\$7,150)**

Regenerative Agriculture Hands-On Workshop and Seminar Series
