

# Production Insurance

BC Ministry of Agriculture

## INSTRUCTIONS – GENERAL

1. Please fill out the name of applicant(s) and crop year.
2. Please fill out your Production Insurance Policy and Grower numbers if known.

## PART 1 – FORAGE FIELD INVENTORY

1. List the Land Inventory Reference Letter from Schedule L-1.
2. Indicate the field number(s) or name(s) as referenced on Schedule L-2 Farm Map(s).
3. Indicate the number of acres planted on the land(s) indicated.
4. Indicate the year in which each forage planting was seeded.
5. Indicate the species of forage seeded for the upcoming crop year.
6. Indicate for each field whether it is irrigated or not.

**Note:** If a field is to be seeded in the spring to any annual or perennial forage crop, complete the *Field Number or Name* and *Acres/Field* columns only.

## PART 2 –DECLARATION

1. Read the Declaration.
2. If you are in agreement with the Declaration Statement, sign and date on the lines indicated.
3. Forward the completed form to your Production Insurance office by the following deadlines:
  - a. **November 30** for Perennial Forage Crops
  - b. **April 30** for Forage Spring Plantings and Silage Corn
