INSTRUCTIONS – GENERAL

The information on this form will be used to determine your current production ability based on your historical yields. By signing this form you certify that the information provided is complete and accurate and that you understand the information may be audited. Inaccurately reported information or failure to retain records and supporting documentation may result in assessment as per the Policy Wordings. Individual information on the form will not be released to any party other than the insurer without the written consent of the insured.

If more than one commodity is grown, complete a separate Schedule W – 1 for each commodity.

Plan	Commodity
Berry	Blueberries, Blueberry Plants, Cranberries, Raspberries, Strawberries, Strawberry Plants
Flower Bulb	Daffodil, Tulip
Forage	Forage (All perennial and annual grass and legume crops that are ensiled or baled for feed), Silage Corn
Grape	Wine Grapes, Table Grapes
Tree Fruit	Apples, Apricots, Peaches, Pears, Plums, Sweet Cherry, Sour Cherry
Grain	Wheat, Oats, Barley, Canola, Field Peas, Rye
Vegetable	Whole Beans, Regular Beans, Broccoli, Brussels Sprouts, Early Cabbage, Late Cabbage, Carrots, Cauliflower, Corn, Regular Peas, Small Sieve Peas, Potatoes, Nugget Potatoes, Onions

PART 1 INSTRUCTIONS

A. Print your name (as stated on Schedule A), the current crop year, and the commodity to be insured.
B. Indicate how many of the last 10 years have you been farming this crop by marking an "X" in the appropriate box.
C. Indicate if you have had Production Insurance on this crop in the past by marking an "X" in the appropriate box. If you have insured this crop before, indicate the years insured and the name(s) and contract number (if known) under which the crop was insured. If you have not had Production Insurance on this crop before, proceed to question D.
D. Indicate if you have financial interest in any other operations farming this crop by marking an "X" in the appropriate box. If you have financial interest in another operation farming this crop (if you share in the proceeds of any crops produced) indicate the name of the operation and specify your financial interest according to the following classifications: sole proprietorship (SP), partnership (P), shareholder (SH), or crop share (CS). If no financial interest in any other operations faming this crop exists, proceed to Part 2.

PART 2 INSTRUCTIONS

A. Indicate if all reported yields for this crop are produced on lands indicated on Schedule L-1 by marking an "X" in the appropriate box. If yes, proceed to question B. If no, explain where reported yields came from.
B. Indicate if reported yields have been produced using current farming practices by marking an "X" in the appropriate box. If yes, proceed to question C. If no, explain any changes in management practices which may affect (or have affected) yields, for example:
   1. Irrigation or drainage practices
   2. Harvesting methods (hand or machine)
   3. Fertilizer application rate or method
   4. Frost control – e.g. wind machine
   5. Insect and weed control
   6. Organic production management
C. If insuring perennial crops, indicate if all plants are in good enough condition to survive a normal winter and capable of producing a normal crop next year by marking an "X" in the appropriate box.
D. Report all production for each crop year where you possess acceptable records[1]. For each year, indicate how the crop was disposed of: wholesale (processor, packinghouse, broker, elevator, etc.) direct sales (off farm sales), or own use (fed to livestock)***

[1]**Acceptable Records –** your annual acreage and production figures will be used providing you possess and retain documents which substantiate the quantities reported.

[2]**Total Production –** We require **direct evidence** (e.g. sales receipts or third party records such as packinghouse or processor records) which clearly indicates weight in lbs., tons, bales, big bins, etc.
Where you do not have this direct evidence, you should leave the Total Production column blank. Where this column is blank, an average provincial production for the commodity will be used in place of your actual production.

[3]**Planted Acres –** Provide planted acreage whenever you have filled in the Total Production column. Your records should prove an ownership or leasehold interest in the land although they may not substantiate the exact acreage reported.

DECLARATION

1. Read the Declaration.
2. If you are in agreement with the Declaration Statement, sign and date on the lines indicated.

*****ADDITIONAL INSTRUCTIONS FOR FORAGE PRODUCERS**

It is understood that in many cases livestock producers do not possess third party records. Provide yield history from your own records. Complete Schedule W – 2. Records you provide will be reviewed for authenticity.

******ADDITIONAL INSTRUCTIONS FOR GRAPE AND TREE FRUIT PRODUCERS**

To ensure that we may provide you with the most accurate insurance policy possible, please complete Schedule W – 3.
