Annual Aquaculture Statistical Report (AASR)

Quick Guide to the Online Form

Link to Survey: https://submit.digital.gov.bc.ca/app/form/submit?f=63499734-0797-41d7-951c-08ae32bd4b65

Submission Requirements

- **Register for a Basic BCeID** 🔑
  A **Basic BCeID** is required to access the online version of the AASR. **Register here.**
  You'll need this to:
  - Log in to the form
  - Save and return to drafts
  - Keep a personal record
- **Submit One Report per Licence**
  Each **licence number** requires its own report.
- **Mandatory, Even with Zero Production**
  If no production occurred, you **must still submit the form** and explain in **Section 4**.
- **Use the "Not Applicable" Option When Needed**
  For sections that don't apply, check the **"Not Applicable"** box.
- **Complete All Mandatory Fields**
  Fields marked with an **asterisk (*)** are required to submit the form.

Contact Information

Provide complete contact and licence details:

Field	Description
Licence Holder & Licence Number	Company name and licence ID
Land File Number or PID	Reference number for your production site
Legal Description & Location	Based on your tenure agreement
Production Year	The calendar year you're reporting for
Contact Info	Name, position, mailing address, email, and phone number

Production at Site

Question: "Did you produce at this site this year?"

- ✔ **Yes:**
  Proceed to:
  - **Section 1a** (Food Market)
  - **Section 1b** (Non-food Market)
- ✖ **No:**
  You'll be directed to **Section 4** (Stock on Hand & Future Plans).
  You **must still complete** this section and explain your site's status.

Section 1a: Food Market Production

- Report wet weight and value for species destined for human consumption
- **Species, Volume, Units, Value**: Enter each species separately.
- ➡ Click "Add Another" to list more species.

Section 1b: Non-Food Market Production

- Report wet weight and value for species used in non-food products.
- **Species, Volume, Units, Value**: Enter each species separately.
- **Intended Use**: e.g., fertilizers, biostimulants, cosmetics, animal feed, bioenergy.
- ➡ Click "Add Another" to list more species.

Section 2: Processing Information

Details about post-harvest processing:

Question	Guidance
Who processed your algae/plants?	Enter processor(s) name(s) **Note:** If you processed your own product, enter your company name here
Product Ownership	Indicate if the processor or licence holder owns the final product
Ownership after processing?	Select **Yes / No / Partially**

Section 3: Production of Live Seed

Reporting seed production under this licence:

- **No production?** Select **Not Applicable**
- **If applicable**, provide:
  - Species
  - Total Number
  - Units
  - Value

Section 4: Stock on Hand & Future Plans

Report end-of-year inventory and next steps:

Question	Response
Stock Brought On-site?	Yes/No; if Yes, list types of stock (e.g., seed spools, juvenile cultures) including species & quantities.
Stock on Hand at Year-End?	Yes/No; if Yes, list species & quantities
Plans for Next Year?	Will the site operate? Yes/No
Additional Comments	If no production occurred, explain why
