AGR 4201, Revised 19 October 2017
ANNUAL FISHERIES PRODUCTION SCHEDULE – NIL REPORT DETAILS

(To be completed by those persons or companies submitting a NIL Annual Fisheries Production Schedule)

The person or company listed on the front page of this report does not have any B.C. commercial seafood products to report for the year in question for the reason(s) noted below:

☐ I/We handled sport caught fish only.

☐ I/We handled fish processed or stored for our personal use only – no sales.

☐ I/We sold all seafood products to the following provincially licensed or federally registered processing facility(s):

.................................................................................................................................

☐ I/We only custom-transported or custom-unloaded for the following person(s) or company(s):

.................................................................................................................................

☐ I/We carried out custom-processing only and have already submitted a list of clients for the year in question.

☐ I/We handled only finished products imported to B.C. and resold as is. Provide details:

.................................................................................................................................

☐ Other (please explain):

.................................................................................................................................

.................................................................................................................................
