05 January 2026

SUBMIT YOUR ANNUAL FISHERIES PRODUCTION SCHEDULE (AFPS) BY
January 30, 2026

To «Company»:

We need you to submit your 2025 AFPS **due January 30, 2026** for:

Facility Location	Provincial ID(s)	Federal ID(s)

All B.C. seafood processors are required to provide the Ministry of Agriculture & Food with a report on their seafood production under the *Fish and Seafood Act*. Data from all processors, receivers, vendors, and seafood marketers are combined and used for:

- Economic analyses
- Sector funding decisions
- Program and policy development
- International fisheries treaty negotiations

You must complete an AFPS for each operation location. Report all B.C. seafood sold or remaining in inventory in its final form.

How to Submit Your AFPS

Please submit your AFPS electronically using the **web form.**
As per Ministerial Order M10/2025, paper forms, PDFS, or images will not be accepted.

Before You Fill Out the Web Form

- Ensure you have a **BASIC** BCeID. If you don't already have one, you can obtain one in just a few minutes by following these instructions.
- You may use either a **basic BCeID** or an **EXISTING business BCeID** to access the form. **Do not register for a new business BCeID**, as this process can take weeks and will delay your submission. If you don't already have a business BCeID, simply register for a basic BCeID.
- Refer to the Guide for instructions and tips on completing this AFPS.

Questions?
If you have any questions about the AFPS or the submission process, please don't hesitate to email fishstats@gov.bc.ca.

The Ministry of Agriculture & Food will combine data from three or more companies to ensure confidentiality in any public reports.

Best regards,

Jonathon Vieira
Seafood Statistics & Research Officer
British Columbia Ministry of Agriculture & Food
