

BCTS

BC Timber Sales

BCTS has one goal and three objectives set within three overarching principles. Their achievement supports BCTS' core outcomes of Safety, Reconciliation, Sustainability, Economic Prosperity, Rural Economies, Value and Long-term Success.

PRINCIPLE 1

Forest Sector Safety

Outcome: Increased safety awareness and a culture of safety in all our practices and operations.

PRINCIPLE 2

Reconciliation with Indigenous Peoples

Outcome: Increased partnership, participation and confidence in the development and stewardship of our forests.

PRINCIPLE 3

Sustainable Forest Management

Outcome: BCTS is recognized as demonstrating sound forest management.

GOAL

Provide credible representative price and cost benchmark data for the Market Pricing System through auctions of sustainably harvested timber from public land in B.C.

Outcome: Market-priced public timber and economic prosperity.

OBJECTIVE 1

Sell the BCTS apportionment over the business cycle, consistent with safe business practices, sustainable forest management and reconciliation with Indigenous peoples.

Outcome:

Resilient rural economies and good jobs.

OBJECTIVE 2

Generate direct net revenue and indirect revenue for the Province over the business cycle.

Outcome:

Maximum value for assets and net revenue to support government priorities.

OBJECTIVE 3

Pursue continuous business improvements across government and with third-party partners and customers.

Outcome:

Long-term success of BCTS.
