

## Contract Quality Policy

---

The British Columbia Ministry of Forests, Lands and Natural Resource Operations, BC Timber Sales Program (BCTS) manages and administers contracts on Crown forestland throughout British Columbia.

### **It is the policy of BC Timber Sales to:**

- ◆ Comply with all relevant contract law, acts, legislation, associated regulations and BC Government Core Policy;
- ◆ Strive for excellence in contract management by continually improving the performance of contract management activities and practices;
- ◆ Maintain a framework that establishes the quality objectives associated with BCTS contract activities; and,
- ◆ Monitor and evaluate key BCTS contract operations.
