

## Contract Quality Management System Policy

The British Columbia Ministry of Forests, BC Timber Sales Program (BCTS) manages and administers contracts on Crown forestland throughout British Columbia.

### It is the policy of BC Timber Sales to:

- ❖ Comply with all relevant contract law, legislation, regulations and the other requirements to which we subscribe;
- ❖ Strive for excellence in contract management by continually improving the performance of contract management activities, procedures and practices;
- ❖ Maintain a Quality Management System based on ISO9001:2015 standard that establishes the quality objectives associated with BCTS contract activities;
- ❖ Monitor and evaluate key BCTS contract operations to ensure a fair and transparent process that ensures value for money;
- ❖ Communicate BCTS business activities and policies to all staff and make them available to the public.
