

BC Timber Sales, Kamloops Business Area
Planned Contracts for the period April 1, 2017 to March 31, 2018

Note: This schedule is subject to change. Please direct any inquiries to: Forests.KamloopsTimberSalesOffice@gov.bc.ca

Functional Area (Silv, Eng, Plan, Development, etc)	Description of Work	Deliverable	Location	Contract #
Silviculture	Site preparation for planting	Disk trenching/screefing	100 Mile House	SP18TEG002
Engineering	Road construction	Bowers Lk vicinity	100 Mile House	EN18TEG003
Engineering	Road maintenance	general maintenance, minor bridge maintenance	100 Mile House	EN18TEG004
Engineering	Road Brushing	Mechanical cutting	100 Mile House	EN18TEG006
Engineering	Deactivation	Meridian Lk, 8km, 5 structures	100 Mile House	EN18TEG007
Engineering	Deactivation	Various, approx 12km	100 Mile House	TBA
Engineering	Bridge install	North Lang Lake vicinity + minor road work	100 Mile House	EN18TEG005
Silviculture	Manual Brushing	Woody brush/tree cutting	100 Mile House	TBA
Engineering	Roads Construction	Rogers Range Const. ~2km	Clearwater	EN18TEE008
Engineering	Roads Construction	Avola-Lion FSR extension ~3km	Clearwater	EN18TEE009
Engineering	Roads Construction	West Mahood FSR extension ~4.5km	Clearwater	EN18TEE010
Engineering	Roads Construction	Dominion-North FSR ~2km	Clearwater	EN18TEE011
Engineering	Rd construction - Darlington	~3.5 KMS	Kamloops	EN18TED020
Engineering	Rd construction - Surrey/Anderson	~4 KMS	Kamloops	EN18TED021
Engineering	Rd construction - Blackpines	~4 KMS	Kamloops	EN18TED022
Engineering	Rd maintenance	various hourly units	Kamloops	EN18TED023
Engineering	Rd Upgrade	various hourly units	Kamloops	EN18TED025
Silviculture	Stumping	49ha	Kamloops	SP18TED004
Silviculture	Disc Trench site prep	635ha	Kamloops	SP18TED005
Silviculture	Excavator site prep	375ha	Kamloops	SP18TED006
Silviculture	Disc Trench site prep	100ha	Kamloops	SP18TED008
Silviculture	Surveys	2888 Plots	Merritt/Lillooet	SU18TEF006
Silviculture	Surveys	1483 Plots	Merritt	SU18TEF007
Silviculture	Surveys	524 Plots	Merritt	SU18TEF008
Silviculture	Site Prep - Disc Trench	~1300 ha	Merritt	SP18TEF012
Silviculture	Site Prep - Excavator	~370	Merritt	SP18TEF013
Silviculture	Planting	2411310 trees	Merritt/Lillooet	PL18TEF004
Silviculture	Implementation	2146 Plots	Merritt/ Lillooet	IM17TEF008
Silviculture	Brushing	~5Ha	Lillooet	TBA
Silviculture	Brushing	~50Ha	Merritt	BR18TEF009/15
Engineering	Hiab/Crane Truck ITQ	110 hours	Merritt/Lillooet	EN18TEF014
Engineering	Road Maintenance	200 hours	Merritt/Lillooet	EN18TEF011
Engineering	Road Construction/West Pasayten	1.5 km of FSR Construction and Bridge	Merritt	EN18TEF001
Engineering	Road Construction/Big Buck Copper	3.7 km of FSR Construction and Bridge	Merritt	EN18TEF002
Engineering	Road Construction/Grouse-Copper	1.3 km of FSR Construction	Merritt	EN18TEF005
Engineering	Road Deactivation	17 KM	Merritt	EN18TEF003
Engineering	Environmental Monitor/fish assessments	Project monitoring & fish assessments	Kamloops Business Area	TBA
Planning	Registered Professional Forester Services	Operational Planning	Kamloops Business Area	TBA
Planning	Visual Landscape Specialist Services	Visual Design and Assessments	Kamloops Business Area	TBA
Planning	Professional Hydrologist	Watershed Assessments (may be split into 2 contracts)	Kamloops Business Area	TBA
Planning	Timber Reconnaissance	Recce report to confirm timber/road development feasibility and economic viability	Kamloops Business Area	TBA

Planned Contracts: Fiscal Year 2018/2019, Kamloops Business Area

Note: This schedule is subject to change. Please direct any inquiries to: Forests.KamloopsTimberSalesOffice@gov.bc.ca

Functional Area	Description of Work	Deliverable	Location
Silviculture	Site preparation for planting	mechanical site preparation	100 Mile House TSA
Silviculture	Silviculture surveys	Regeneration/Free growing surveys	100 Mile House TSA
Silviculture	Manual Brushing	Manual cutting of woody brush/small trees	100 Mile House TSA
Engineering	Road construction	Approx 4 km	100 Mile House TSA
Engineering	Road maintenance	maintenance and deactivation works	100 Mile House TSA
Engineering	Road brushing	Mechanical cutting	100 Mile House TSA
Engineering	Deactivation	Culvert removal, water control, blockage	100 Mile House TSA
Engineering	Road Project Monitor	Qualified supervision and inspection services	100 Mile House TSA
Engineering	Bridge repair	Minor repairs	100 Mile House TSA
Silviculture	Planting	Spring Planting ~900000 trees	Clearwater
Silviculture	Planting	Summer Planting ~500000 trees	Clearwater
Silviculture	Surveys	Free Growing	Clearwater
Engineering	Roads Inspection	Roads Monitor	Clearwater
Engineering	Roads Inspection	Roads Monitor	Clearwater
Engineering	Roads Maintenance	Bridge Maintenance	Clearwater
Engineering	Roads Liability	Deactivation ~20km	Clearwater
Engineering	Roads Construction	New Identified Construction	Clearwater
Engineering	Roads Construction	New Identified Construction	Clearwater
Engineering	Roads Construction	Dominion-North FSR	Clearwater
Engineering	Road construction	~12-15km (estimate from annual averages)	Kamloops
Engineering	Bridge installation	~2-3 bridge installs	Kamloops
Engineering	Mechanical road brushing	~25km	Kamloops
Engineering	Road deactivation	20 km	Merritt/Lillooet
Engineering	Road Maintenance	200 hours	Merritt/Lillooet
Engineering	Crane truck/Hiab	110 hours	Merritt/Lillooet
Engineering	Road Construction Pasayten	2.5 Km of FSR Construction	Merritt
Engineering	Professional Road & Bridge Engineering Services	Road and bridge designs	Kamloops Business Area

Planned Contracts: Fiscal Year 2019/2020, Kamloops Business Area

Functional Area	Description of Work	Deliverable	Location
Silviculture	Tree planting	Container stock planting	100 Mile House TSA
Silviculture	Manual Brushing	Manual cutting of woody brush/small trees	100 Mile House TSA
Development	Multi phase timber development	Approx 200000m3	100 Mile House TSA
Engineering	Road construction	Approx 4 km	100 Mile House TSA
Engineering	Road maintenance	maintenance and deactivation works	100 Mile House TSA
Engineering	Road Brushing	Mechanical cutting of roadside brush	100 Mile House TSA
Engineering	Bridge repair	Minor repairs	100 Mile House TSA
Silviculture	Vegetation Management	Chemical and Manual Brushing for Site Prep and Free Growing	Clearwater
Engineering	Roads Maintenance	Grading	Clearwater
Engineering	Roads Maintenance	Machine hire	Clearwater
Engineering	Roads Maintenance	Bridge Maintenance	Clearwater
Engineering	Roads Liability	Deactivation ~20km	Clearwater
Engineering	Roads Construction	New Identified Construction	Clearwater
Engineering	Roads Construction	New Identified Construction	Clearwater
Engineering	Roads Construction	New Identified Construction	Clearwater
Engineering	Road construction	~12-15km (estimate from annual averages)	Kamloops
Engineering	Bridge installation	~2-3 bridge installs	Kamloops
Engineering	Road Maintenance	75 hours	Merritt
Engineering	Road Maintenance	150 Hours	Lillooet
Engineering	Crane Truck/Hiab	200 hours	Merritt/Lillooet
Development	Multi-Phase Timber Development Contract	~200,000 m ³	Merritt
Development	Multi-Phase Timber Development Contract	~200,000 m ³	Merritt
Engineering	Road Construction	1.5 km of FSR Construction	Merritt
Engineering	Road Construction	3 km of FSR Construction	Lillooet
Planning	Registered Professional Biologist services	Habitat assessments; SAR species management recommendations	Kamloops Business Area
Planning	Archaeologist	Archaeological Overview Assessment and Arch Impact Assessments where and if required	Kamloops Business Area
